Health Promotion and Healthy Ageing: Overcoming multiple disadvantage in later life

PRESENTED BY

John Bond, BA (Honours)

Professor of Social Gerontology and Health Services Research, Institute of Health and Society and Institute for Ageing and Health, Newcastle University

This seminar will review some of the positive and negative risk factors for healthy ageing. Using data from the United Kingdom, Mr. Bond will consider barriers and facilitators to overcoming these risk factors in later life with a particular focus on social disadvantage.
