

## 2012 Arch Awards Nomination Form

The University of Calgary Alumni Association has been celebrating outstanding alumni since 1985 with the Arch Awards.

The Alumni Association's highest honour, the **Distinguished Alumni Award (DAA)**, is presented to a graduate who has made outstanding career achievements in fields including the public service, technology, business and entrepreneurship, medicine, the arts, scholarship and the humanities.

The **Graduate of the Last Decade Award** is given to a graduate under the age of 35 who has graduated in the past ten years. Our GOLD recipients have enjoyed success early in their career and we anticipate their future success and positive impact on our communities.

The **Future Alumni Award** was handed out for the first time in 2009 and recognizes a current, full-time student who demonstrates great potential for outstanding achievements in their career or contributions to their community with an eye on future personal and professional growth.

Please note that this nomination is valid for the 2012 Arch Awards only.

In addition to the mandatory information on page two, **you may also answer the following questions in a separate document. You are also encouraged to request and submit two letters of support** with your completed nomination package. Please note that this information is not mandatory for a valid nomination.

- How have the nominee's reputation, achievements and contributions brought honour and prestige to the University of Calgary?
- How has the nominee demonstrated excellence in their professional discipline, community or public service?

Submission deadline: Feb. 29, 2012, 4:30 p.m.

Please send your completed nomination package by courier, mail, fax or e-mail to:
