

SCIENCE CAFÉ

Reinventing Nature Using Synthetic Biology

Are there limits to how far we should go?

Science is the new black.

Science Cafe is a place where, for the price of a cup of coffee or pint of beer, you can learn about the latest ideas and issues in science and technology in an informal setting.

**Tuesday, November 23,
6:30-8:30pm**

Ironwood Stage and Grill
1229, 9th Ave SE.
