

CURRICULUM VITAE (JULY 2015)

**I. BIOGRAPHICAL DATA**

HOGAN, David Bryan  
Health Sciences Centre  
3330 Hospital Drive N.W.  
Calgary, Alberta  
T2N 4N1  
403-220-4578 (Office)  
403-283-6151 (Fax)  
E-Mail: dhogan@ucalgary.ca

Brenda Strafford Foundation Chair in Geriatric  
Medicine

Professor  
Departments of Medicine, Clinical Neurosciences, and  
Community Health Sciences  
Faculty of Medicine  
University of Calgary

**II. ACADEMIC RECORD**

M.D.  
1977  
Dalhousie University, Halifax, Nova Scotia

**i. Undergraduate** - St. Francis Xavier University  
Antigonish, Nova Scotia 1971-73

**ii. Special Professional** - See below

**iii. Graduate and Post-doctoral** -

Internship: University of Alberta Hospital  
Edmonton, Rotating Internship  
1977-78

Residency: University of Ottawa, Ottawa  
Internal Medicine 1978-82

Fellowship: Suncor Fellow in Geriatric  
Medicine 1982-83/ 1983-84,  
University of Western Ontario,  
London, Ontario

**iv. Licensure and Boards -**

Licentiate of Medical Council of Canada

Diplomate in the Specialty of Internal Medicine,  
American Board of Internal Medicine, 1981

Certificate in the Specialty of Internal  
Medicine (RCPSC, 1982)

Certificate of Special Competence in  
Geriatric Medicine (RCPSC, 1984)

Registered practitioner in the province of  
Alberta in accordance with the Medical  
Professional Act 1980 (Registration  
#010162)

**III. AWARDS AND DISTINCTIONS**

Valedictorian/top academic graduate (1971)  
St. Patrick High School, Chandler, Quebec

Academic Scholarships/First Class Honours  
Student (1971-72) (1972-73), St. Francis  
Xavier University, Antigonish, Nova Scotia

Suncor Fellow in Geriatric Medicine (1982-83,  
1983-84), University of Western Ontario,  
London, Ontario

Fellow of Royal College of Physicians and  
Surgeons of Canada, 1982

Fellow of the American College of Physicians  
(1982)

President, Gerontology Association of Nova Scotia (1987-88)

Member of the Examination Board in Geriatric Medicine, RCPSC (1986-1988)

Chair of the Examination Board in Geriatric Medicine, RCPSC (1989-1991)

Corresponding Member of the Specialty Committee in Geriatric Medicine, RCPSC (1991 to 1997)

Nucleus Member of the Specialty Committee in Geriatric Medicine, RCPSC (1997-2010)

Chair of the Specialty Committee in Geriatric Medicine, RCPSC (2002-2008)

Certificates of Recognition from the RCPSC for Services to the College (Chairman of the Examination Board 1989-1991, Member of the Examination Board 1986-1988, & Corresponding Member of the Specialty Committee in Geriatric Medicine 1991-1997)

Certificates of Appreciation from the Office of Education, Royal College of Physicians and Surgeons for Dr. Hogan's participation as Chair of the Specialty Committee in Geriatric Medicine (2002-2008) and National Specialty Society Representative on Specialty Committee in Geriatric Medicine (2002-2010)

The Royal College of Physicians and Surgeons of Canada Speaker, Canadian Geriatrics Society Annual Scientific Meeting (Toronto, May/2004)

The Royal College of Physicians and Surgeons of Canada Speaker, Canadian Geriatrics

Society Annual Scientific Meeting (Ottawa, April/ 2010)

Member of the Education Committee and Member of the Selection Committee Members of Test Committees, Medical Council of Canada (1988-1990)

Certificate of Appreciation from the Medical Council of Canada for outstanding service to the Council (1990)

Plaque presented by The Dalhousie Society for the History of Medicine (1990) - outstanding contributions to the field of medical history

Brenda Strafford Foundation Director of Geriatric Medicine, University of Calgary (1990-1992)

Inaugural Brenda Strafford Foundation Chair in Geriatric Medicine, University of Calgary (1992 to present) - this is the first Chair in Geriatric Medicine established and awarded in Canada

Certificate of Appreciation, Medical Council of Canada for four years of service as Physician Examiner for the Qualifying Examinations (1997)

Former President of the Consortium of Canadian Centres for Clinical Cognitive Research or C5R (1997-1999)

Former President of the Canadian Geriatrics Society (2000-2002)

Distinguished Service Award, Canadian Geriatrics Society (2007)

Founding Director, Brenda Strafford  
Foundation Centre on Aging, University of  
Calgary (2011 and on)

Gold Star Award in recognition and  
appreciation of outstanding teaching,  
Aging and the Elderly/Human Development  
Course, Classes of 1994, 1995, 1999, 2000,  
2001, and 2005

CMSA Letters of Excellence Lecturer,  
Aging and the Elderly/Human Development  
Course Classes of 2002, 2003, 2004, 2006 and  
2007

Associate Dean's Letter of Excellence  
for teaching in Course 5 (2010-11, 2011-12,  
2014-2015)

Distinguished Service Silver Award  
(Undergraduate Medical Education), 2010-2011

Distinguished Service Bronze Award  
(Undergraduate Medical Education), 2011-2012,  
2012-13, 2014-2015

AEBM Course Award (2011-2012)

Listed in "Canadian Who's Who" (1996-2013  
editions)

Certificate of Appreciation as Reviewer,  
Neurology (1994-95)

Letters of commendation from John Hoey,  
Editor of the CMAJ for "exceptionally fine  
qualities of your recent review" for the  
CMAJ (June 25, 2001 and April 8, 2002)

Letter of commendation from the editor of the  
Annals of Internal Medicine complimenting me  
for "the exceptionally fine quality" of my  
reviews for the Journal (Feb. 22, 2010)

Co-author, article that won the JCHEP Award for Excellence in Research for best original research published in the J Continuing Education in the Health Professions IN 1995 (Jennett PA, Scott SM, Atkinson MA, Crutcher RA, Hogan DB, et al: patient charts and physician office management decisions: chart audit and chart stimulated recall) and 2005 (Lockyer JM, Fidler H, Hogan DB, et al: Assessing outcomes through congruence of course objectives and reflective work)

Award of Excellence (National Winner), Nutrition File (partner with the Dairy Nutrition Council of Alberta) from the Dieticians of Canada (1997)

Certificate of Appreciation, Canadian Down Syndrome Society (2001)

Recipient of a William B. Spaulding Award for contributions to the history of medicine at the local level, Associated Medical Services Inc. (2004)

People First Award, Calgary Health Region (2005)

Certificate of Appreciation for outstanding service and contribution as a volunteer, the Government of Canada (April 13, 2006)

President, Alberta Medical Foundation Board of Directors (2006-2008)

RAC 1 Prix d'excellence, Royal College of Physicians and Surgeons of Canada (2010)

The 2010 CIHR Betty Havens Award for Knowledge Translation in Aging, awarded to the Canadian Coalition for Seniors' Mental

Health in recognition of its Knowledge Translation work with Guideline Development; I was the co-lead of team that worked on delirium guidelines and member of the guidelines steering committee

Member of team (headed by Dr. Holroyd-Leduc) that won the 2010 U of C Department of Medicine Quality Improvement & Patient Safety Award

With colleagues was awarded the Best International Poster Award, 2011 American Geriatrics Society Annual Scientific Meeting for "Longitudinal Predictors of Quality of Life in patients with Alzheimer's Disease: Results from the Canadian Alzheimer's Disease Quality of Life Study"

Irma M. Parhad Award for Excellence 2010, Consortium of Canadian Centres for Clinical Cognitive Research (presented in 2011)

Continuing Medical Education & Professional Development Award of the Faculty of Medicine, University of Calgary for 2011

Alberta Medical Association Long-Service Award (2012)

Hellbender (Class of 2014) Honor Roll in recognition of contributions to their medical education (Feb. 16, 2013)

Letter of commendation from Kenneth Flegel, Senior Associate Editor of the CMAJ for my "exceptional review" for CMAJ (Feb. 27/13)

2013 Jeanne Bentley Award for Community Spirit, Alzheimer Society of Calgary (Aug. 29, 2013)

2014 Top Teacher Award, Office of Continuing Medical Education & Professional Development, Faculty of Medicine, University of Calgary

Letter of thanks for "The exceptionally fine quality" of peer reviewing for "Pharmacoepidemiology and Drug Safety" (June 6, 2014)

#### **IV. ACADEMIC APPOINTMENTS**

Professor\*, Department of Medicine (primary Department), University of Calgary (1990 to present); Tenure granted

Professor\*, Department of Clinical Neurosciences (1994 to present)

Professor\*, Department of Community Health Sciences (1995 to present)

Adjunct Professor, School of Public Health and Health Systems, University of Waterloo (2014 on)

Associate Dean of Undergraduate Medical Education, Faculty of Medicine, Dalhousie University (1988 to 1990)

Associate Professor, Department of Medicine Dalhousie University (1990), Tenure granted

Assistant Professor, Dept. of Community Health and Epidemiology, Dalhousie University (1986-90)

Assistant Professor, Department of Medicine Dalhousie University (1984-1990)

Associate Fellow, Institute of Public Economics, University of Alberta (2004-2007)

\*(Formerly Associate Professor, promoted to Professor in 1996)

**V. EDUCATIONAL ACTIVITIES**

**i. Undergraduate**

Research Project Program/ MDCN 340

Function(s): Supervisor; last students Mala Goghari and Farnaz Amoozegar (2000-2001)

- both received excellent grade

Preceptor Summer (Preclerkship) Elective (MDCN 402), 1 student (Amy Nakashima) in 2012-13

Neuroscience Course/ MDCN 410 (1993-2007)

Function: Co-lecturer (3 hours) on "Dementia"

Aging and the Elderly Course/ MDCN 412 (1993-2007)

Function: Lecturer/ small group leader (9 hours)

Preceptor, Medical Skills Program/ MDCN 420 (1994 to 1998)

Divisional (Geriatric Medicine) Contact for Med 440 Clinical Encounter Elective (2000 on)

Preceptor, AEBM (Medicine 440), 2000 on

Preceptor AEBM (Medicine 440), two students in 2011-2012 (Carolyn Wong-Ranasinghe, Antonia Cappella), one student in 2012-13 (Savannah Forrester)

Course 5/MDCN 450 (2007 on), Function: Lecturer/ small group leader, hrs. vary year to year (11 hours of direct teaching time in 2014-2015)

Clinical Electives (Geriatric Medicine)/ MDCN 514.04, Function: Co-ordinator (1990 to 2006)

Clinical Electives (Geriatric Medicine)/  
MDCN 514.04, Function: Preceptor (1990 on)

Presentation (2 hours) on "Designing for  
Seniors", EVDA 782 (Senior Research Studio  
in Architecture), Jan. 19/15

Co-ordinator, Selective (Geriatric Medicine)/  
Internal Medicine Clerkship (till 2006)

Supervisor, History of Medicine Elective  
(1994 to present)

Member, Course Committee for History of Medicine  
(2000-2009)

Co-author of Terminal Educational Objectives of  
six clinical presentations; Dementia updated (with  
Dr. K. Brownell)

Examiner, Medical Skills II Exam (2002)

Examiner, Undergraduate Internal Medicine OSCE  
(2006, August 12/2011, Nov.8/13)

Member, Electives Committee (2004-2011)

Lecture (Aging & Geriatrics), 1 hour,  
Kinesiology 369 (2006)

Presentation on "Age-related Changes in the  
Brain", KNES 355 Human Growth and Development  
(181 students); March 30, 2009

Presentation on "Physical Activity, Health and  
Aging - Cognition, Dementia, & Aging" to KNES 369  
class (40 students); March 4, 2010

Faculty Advisor, most recent students were  
Dharminder Hayre and Mark Wylie (Class of 2009)

Chair of the Advisory Committee for The Brenda Strafford Centre for Excellence in Gerontological Nursing (note: would include activities in

graduate studies as well as continuing professional development)

Lecture on "Aging, Specialization, and Canadian Geriatrics", History of Medicine Course (most recent November 2014)

Talk ("Introduction to Geriatric Medicine" to undergraduate Calgary Geriatric Interest Group (CGIG), University of Calgary (November 28, 2011)

Preceptor (Polypharmacy)/ speaker at Geriatric Skills Day sponsored by the undergraduate Calgary Geriatric Interest Group (CGIG), University of Calgary (January 28, 2012)

#### **ii. Graduate -**

Category A supervision - Master students, Faculty of Graduate Studies

Chair/Teacher, MDSC 645.08 (Health Services for the Elderly), Winter Term of 1995 and 1997

Teacher (2 hours), MDSC 645.08 (Health Services for the Elderly), Winter Terms of 1999, 2001, 2003, 2005, 2007

Co-Chair (with Dr. Colleen Maxwell) of the First (and only) Graduate Student Research Day for the Health Service Research Group/Department of Community Health Sciences (held Jan 27/99, Health Sciences Centre)

Teacher (30 minutes), MDSC, 659.04 (Clinical Trials Course), Winter Term of 2001

Lecture (3 hours) on the "Advanced Pathophysiology of Dementia" to nurse practitioner students, NURS 661 (April 9/2013, Sept. 10/14, Feb. 4/2015)

Lecture (3 hours) on delirium and dementia to nurse practitioner students, NURS 644 (Nov. 22, 2013)

Presenter (Are all antihypertensives created equal?) with Dr. C.J. Maxwell, Department of Community Health Sciences Seminar Series (February 18, 2000)

Gave two-hour seminar (Aging and the Workplace), Course MDSC 645.11 (Seminars in Occupational Health and Medicine), 2001(15 participants) and 2003 (eight participants)

Presentation on Canadian Longitudinal Study on Aging and longitudinal studies (Cohort Studies in Aging - Do We Need another One? An Update about the Canadian Longitudinal Study on Aging) as part of the 2008/2009 Department of Community Health Sciences Seminar Series (Calgary, May 8/ 2009)

Presentation (Alzheimer's disease), CIHR Training Program in Immunology Journal Club (University of Calgary, September 22/ 2009)

PhD candidate Elizabeth Freiheit working under my supervision (and that of Dr. Colleen Maxwell) won the 2011 Canadian Geriatrics Society Edmund V. Cowdry Award

Co-supervisor of Dr. Margaret Davenport who received a Postdoctoral Fellowship (1 year renewable) from the Hotchkiss Brain Institute (2012)

Member, Examining Committee, MSc (Clinical Psychology), Lori Anne Harper (1996), degree awarded

Member, Examining Committee, PhD (Clinical Psychology), Lori Anne Harper (2000), degree awarded

Member, Supervisory Committee (Course-based MSc Program), Julie Dergal (Department of Community Health Sciences), 1994-97

Supervisor, Mary Ilkiw, Thesis-based MSc Program (Department of Community Health Sciences), 1996-2000, degree awarded

Member, Supervisory and Examination Committees for Jill Milne (MSc, Nursing), 1996-98, Degree awarded

Member, MSc Supervisory and Examination Committees (Department of Community Health Sciences) for Dr. Jeff Schaefer, 1996 - 1999, degree awarded

Member, Supervisory and Examination Committees for Jody Nicholson (MSc, Kinesiology), 1997, degree awarded

Supervisor, Clare Hildebrandt, thesis-based MSc Program (Department of Community Health Sciences), 1998-2004, Degree awarded

Co-evaluator for Ms. Michelle Howard (MS 755: Directed Study), Fall/99

Preceptor, Frank MacDonald (Gerontological Nurse Practitioner Course, Saint Louis University), Health Promotion/Protection and Disease Prevention Course (Fall/00)

Doctoral External Reviewer (Gillian Bartlett - Esquilant), McGill University (2001)

Member, Supervisory Committee and Examination Committees for Shelly Vik (MSc, Community Health Sciences), degree granted 2001

Member, Supervisory and PhD Candidacy Examination Committee for Charlemaigne Victorino (PhD, Community Health Sciences), 2002 - 2005, withdrew from program

Member, Supervisory & Examination Committees for Jennifer Walker (PhD, Community Health Sciences), 2002 to 2006, degree granted in 2006

Co-evaluator for Jennifer Walker, MDSC 955 Medical Science Directed Study Course (2003)

Member, Doctoral Thesis Oral Examination Committee of Frances E. Racher (Sept. 8, 2003), Faculty of Nursing, degree awarded

Clinical placement for Ms. Pamela Peters (NURS 691, U of C Graduate), Winter 2004

Member of PhD Candidacy Examination Committee for Ms. Jennifer Walker (May 3, 2004), degree awarded

Member of PhD Supervisory Committee, Ms. Alison Supina (Community Health Sciences), 2005-2008, degree granted in 2008

Member, Candidacy Oral Examination of Ms. Alison Supina (Oct. 18/06)

Member of PhD Examination Committee of Ms. Alison Supina (Oct. 20/08), degree awarded

Member of MSc Supervisory Committee and Examination for Ms. Allison Brown, 2005-2008, degree granted in 2008

Member of MSC Supervisory and Examination Committee for Morgan J. Blair, 2006-2009, degree awarded

Member, MSc Supervisory Committee, Megan Piket  
(2006-2011 - withdrew)

Member of MSc Supervisory Committee, Ms. Morgan  
Aho (2006-2011 - withdrew)

Member of PhD Supervisory Committee (Engaging at  
a Garden Vignette: The Effect on Neuropsychiatric  
Behaviour in Moderate to Severe Dementia) for Ms.  
Donna Lee Marcy-Edwards (2007-2014), degree  
granted in 2014

Member of the PhD Examination Committee for Ms.  
Donna Lee Marcy-Edwards (Aug. 26/14), degree  
awarded

Member of MSc Supervisory Committee for Devika  
Kashyap (2010 - withdrew)

Member of MSc Supervisory Committee for Kirsten  
Fiest (2011 - resigned)

Member of PhD Supervisory Committee for Monica  
Cepoiu-Martin (2012 on)

Member of MSc (Kinesiology) Supervisory Committee  
for Lisa Campkin (2013 - 2015)

Member of MSc (Kinesiology) Examination Committee  
For Lisa Campkin (July 2015)

Member of PhD (Neuroscience) Supervisory Committee  
for Amanda V. Tyndall (2012 on)

Member of Candidacy Examination Committee for  
Amanda V. Tyndall (July 26, 2013)

Member of PhD Candidacy Examination Committee  
for Monica Cepoiu-Martin (Oct. 29, 2013)

Co-supervisor (with Dr. Hewson) of Marta Shaw  
(awarded Queen Elizabeth II Graduate Master's

Scholarship) for MSc (Social Work), (2013-2015, degree granted

Member of MSc (Social Work) Examination Committee for Marta Shaw (April 27/15)

Supervisor/mentor of Dr. Scott Forbes (Post-doctoral Fellow), 2013-2014

Member of MSc (Neuroscience) Supervisory Committee (Classification of Subjective Cognitive Concern and MCI with Neuroimaging Biomarkers for AD and CVD) for Rachel Wang (2013 on)

Member of Master's Thesis (Exploring the Barriers and Facilitators of Nurse Engagement in Comfort Rounds) Oral Examination Committee for Navjot Virk (Nursing), January 7/2015, degree granted

Member of PhD (Community Health Sciences) Supervisory Committee for Elizabeth Freiheit (2014 on)

Member of MSc (Faculty of Applied Health Studies, School of Public Health and Health Systems) Supervisory Committee (High Risk Medication Use, Frailty and Hospitalization Among Older Assisted Living Residents) for Kathryn J. Stock (University of Waterloo), 2014 on

### **iii. Post-Graduate Clinical (Medicine) -**

Program Director, RCPSC Training Program in Geriatric Medicine at the University of Calgary (2000-2011)

Member, RCPSC Training Program in Geriatric Medicine at the University of Calgary (2011 on)

Judge, Geriatric Medicine Training Program Resident Research Day (Jan. 21/15)

Member, Program Committee, CFPC Care of the Elderly Program (University of Calgary), 2001-10

Presenter at Department of Medicine/  
Emergency Topics in Internal Medicine Seminar  
Series - Delirium (1997, 1998, 1999, 2000, 2001)

Presenter at Medicine Grand Rounds (Foothills),  
Division of Geriatric Medicine Rounds (also  
organizes these rounds), Division of Geriatric  
Medicine Journal Club, and Division of Geriatric  
Medicine City-Wide Rounds (1991 to present - last  
presentation [Prevention of Falls and Injuries in  
Older Adults] on April 30, 2013)

Preceptor, Club Med (Internal Medicine Journal  
Club for Residents) for Geriatrics (1997,  
1998, 2000, 2003, 2005, 2006, 2007, 2008)

Electives in Geriatric Medicine  
Function(s): Coordinator (1990 to 2006)

Electives in Geriatric Medicine for Internal  
Medicine, Neurology, Physiatry, and Psychiatry  
residents  
Function(s): Preceptor (1990 on)

Examiner, Internal Medicine R1 OSCE,  
R3 Oral Examinations and/or R4 practice OSCE  
(1998, 2001, 2002, 2004, 2005, 2006, 2009, 2010,  
2011)

Examiner, MCC-Part II (have participated  
five times, most recently in 2001)

Presenter of monthly sessions on Falls, Dept. of  
Family Medicine Geriatric rotation (2001-2013)

Mentor, Research Projects in Geriatric  
Medicine for Internal Medicine trainees; most  
recent resident Dr. Juraj Janovcik (2007)

Morning Teaching Rounds (approximately once monthly), for trainees on MTUs (Foothills) (2000 - 2001)

Member, U of C Selection Committee for the Canadian Society for Clinical Investigation Award Program for Excellence in Resident Research (2001, 2003, 2006, 2007, 2008, 2010, 2011, 2012, 2013, 2014, 2015)

Ombuds, Neurology Postgraduate Training Program (2006-2011)

Ombuds, Care of the Elderly Program, Family Medicine (2011-2013)

Department of Clinical Neurosciences  
Neurology Residency Training Program  
Evidence Based Medicine Session (Dec. 20/01)

Two hour seminar (Mild Cognitive Impairment and Alzheimer's disease) to Neurology residents (2005, 2007, 2009)

Two-hour seminar (Cognitive Enhancers) to Psychiatry residents, MDSC 755.53 - Basic Science and Research Methods in Psychiatry (2005, 2007, 2009, 2011)

Presentation, PM&R Resident Academic Half Day on "Geriatric Rehabilitation" & "Falls" (2006, 2008, 2009)

Presentation ("Pharmacology and the Elderly"), Internal Medicine Academic Half Day Senior Resident Seminar Series (2006)

Presentation on "Dementia: Therapy (pharmacologic and non-pharmacologic)", Internal Medicine Academic Half-Days, 1 hour (April 2, 2009)

Presentation on "Delirium", Internal Medicine trainees (Aug. 21, 2009)

Presentation at Medical Teaching Unit Noon Hour  
Hour Rounds (February 4, 2011)

Internal Reviews of Residency Training Program  
in Emergency Medicine, General Internal Medicine  
(Primary Reviewer) and Family Medicine (2000-01)

Primary reviewer for internal review of the  
Residency Training Program in Palliative  
Medicine (June, 2004)

Primary Reviewer for internal review of Medical  
Oncology (2006)

Faculty Reviewer for internal review of Emergency  
Medicine (2006)

Primary Reviewer for internal review of Adult  
Rheumatology (2007)

Review of RCPSC Pre-Survey Questionnaire in Adult  
Cardiology (2008)

Primary Reviewer, Internal Review of the Residency  
Training Program in Adult Gastroenterology (2010)

Emergency Medicine Academic Rounds (Geriatrics),  
February 3, 2011 (2 hours)

Primary Reviewer, Internal Review of the Residency  
Training Program in Adult Infectious Diseases  
(2011)

Presenter at Internal Medicine Residency Program  
MTU Geriatric Noon Rounds, "Appropriate  
Prescribing for the Hospitalized Older Patient"  
(January 20, 2012) & "Falls in an Older Person"  
(February 15, 2013)

Presentation on "Falls in Older Adults", Family  
Medicine Conference, University of Calgary (Canada  
Olympic Park, Sept. 7/12)

Presentation on "Cognitive Neurology - AD and MCI" that was part of the Neurology Residency Program Academic Half Day (Sept. 6/12)

**iv. Continuing Medical Education, University of Calgary (2008 on)**

- Presentation at the Division of General Internal Medicine Noon Rounds (Delirium), January 30/08
- Member, Planning Committee for the 7<sup>th</sup> Annual Long Term Care Colloquium (2007-2008)
- Presentation (Therapeutic Uses of Folic Acid in Cognitive Dysfunction), Calgary Therapeutics Course 2008 (Apr. 4/08)
- Presentation on the "Diagnosis & Pharmacotherapy of Alzheimer's Disease & Other Dementias", 2007-2008 Regional Visiting Speaker Program of the University of Calgary(Didsbury, April 29/08)
- Workshop, "Conducting Research with Frail Older Adults", 13th Annual Research Methods Course of the University of Calgary (Calgary, May 1/08)
- Presentation ("Test Your Memory - Practical Tips & Tools for Office Assessment of Cognitive Impairment"), Department of Family Medicine Community Rounds (June 17, 2008)
- Presentation ("Falls in the Elderly"), 2008-2009 Evening Course Program, University of Calgary (October 15/2008)
- Member, Planning Committee of the 8<sup>th</sup> Annual Long Term Care Colloquium(sponsored by Long Term Care ARP, Alberta Health Services and the University of Calgary), Calgary, February 6/2009
- "Short Snapper" presentation on "The Challenge of Safe Prescribing: Medications that Cause Hospitalizations in Older Patients" at the 26<sup>th</sup> Annual Calgary

Therapeutics 2009 Course (Calgary; April 2/ 2009)

- ``Short Snapper'' presentation (Neurobics - Hope or Hype?), Calgary Therapeutics Course March 4, 2010)
- Presentation on ``Cognitive Assessment in the Elderly'' for the Rural CME Video Conference program (September 14, 2010); also given as a podcast
- Plenary (Vascular Dementia) and Workshop (Vascular Dementia) at 13<sup>th</sup> Annual Update in Medicine for Psychiatrists (Banff, Nov. 6-7, 2010)
- Workshop (x2) on ``Dementia: Mild Cognitive Impairment versus early Dementia'' at the 35<sup>th</sup> Family Practice Review and Update Course (Calgary, November 16/ 2010)
- Did podcast of my review of a paper originally given at Divisional Journal Club (January, 2010)
- Plenary talk (Geriatric/ Elderly Back Pain), Back to Back Course - Common Presentations for Lower Back Pain (Calgary, February 4/ 2011)
- Plenary address (Falls Risk Prevention in Older Patients), 45<sup>th</sup> Annual Mackid Symposium - Managing Trauma in Community-based Practice: Prevention and Beyond (Calgary, May 6/ 2011)
- Talk ``Assessing Benefit and Harm of Alzheimer Therapy Within 15 Minutes'' given at Geriatrics Symposium - Geriatric Care with a Focus on Calgary PCN Supported Care of Seniors, Office of Continuing Medical Education and Professional Development, U of Calgary (Calgary, Oct. 1/ 2011)
- Presentation on ``Competency and Capacity Assessment in the Elderly'' for the Rural CME Video Conference program (Sept. 27/11); podcast made of presentation
- Talk titled ``Revised Criteria for the Diagnosis of Alzheimer's Disease - Are

- Biomarkers Really Ready for Prime Time?'' ,  
 Dementia Rounds (sponsored by the  
 Departments of Clinical Neurosciences and  
 of Psychiatry), Calgary (February 10/12)
- Plenary Short Snapper on ''When to Start  
 & Stop Cognitive Enhancers'', 29th Annual  
 Calgary Therapeutics Course (Mar. 15/12)
  - Workshop on ''Driving Fitness in  
 Dementia'', Geriatric Update Course (Sept.  
 28/12)
  - Keynote presentation & workshops (x 2) on  
 ''Assessment of Medical Fitness to Drive in  
 Older patients'', 37<sup>th</sup> Annual Family  
 Practice Review and Update (Radisson Hotel  
 Calgary Airport, Nov. 20/12); app. 120  
 attended keynote presentation and 45 at  
 each workshop
  - Presentation, ''Mild Cognitive Impairment''  
 Evening Course, Continuing Medical  
 Education & Professional Development,  
 U. of Calgary (Feb. 27/13, Calgary)
  - Plenary Short Snapper (Medications and  
 Frailty in Older Persons), 30<sup>th</sup> Annual  
 Calgary Therapeutics Course (Apr. 11/13,  
 Calgary)
  - Keynote and workshop (Dementia Update), U  
 of C Update in Medicine for Psychiatrists  
 (Banff, Sept. 21/22, 2013)
  - Concurrent workshops (Collaborating  
 to Address Issues with Medically-at-Risk  
 Drivers x 2) at U of C Geriatrics Update  
 (Nov. 1/13)
  - Keynote (Drugectomy in Older Patients),  
 38<sup>th</sup> Annual Family Practice Review and  
 Update Course (Nov. 21/13)
  - Presentation (Deprescribing), Rural  
 Videoconference Program (Feb.18/14)
  - Workshop (Sleep Challenges in Older Adults  
 Across the Continuum) with Dr. S. Hall,  
 Geriatrics Update: Clinical Pearls for  
 Rural and Urban Primary Care (Oct. 3/14)
  - Breakout Session (Screening for Abuse in  
 Older Persons), 39<sup>th</sup> Annual Pearls for

- Practice - Family Practice Review and Update Course, Calgary (Nov. 20/14)
- Facilitator (with Dr. Lara Nixon) of case-based course (Friday Morning at the Medical School-Assessing Medical Fitness to Drive), Jan. 23/15
  - Presentation (An Interdisciplinary Approach to Fall Prevention and Harm Reduction), U of C Introduction to Long Term Care (May 29/15)

### **Demonstration of Interest and Innovations in Teaching**

- Did all course work for Masters in Health Professional Education (University of Illinois at Chicago) but never wrote thesis (as appointed Associate Dean of Undergraduate Medical Education, Faculty of Medicine, Dalhousie University)
- As Associate Dean (Undergraduate) at Dalhousie helped initiate the process which led to a shift to problem-based learning
- Extensive review and renewal of the Aging and the Elderly Course (Medicine 423). The "new" course became based predominantly on a series of case presentations and clinical experiences
- Member of Medical Education Research Group, University of Calgary
- Member of Advisory Committee which adapted the Glaxo Pathway Evaluation Program for use in Canada (this was a program designed to help medical students make informed career decisions)
- Speaker at the First Summer Institute of Geriatrics (an innovative national program designed to interest

undergraduate medical students in geriatrics as a career option), June 1991; since then I've supported the Institute both within the Canadian Geriatrics Society and locally by helping in the selection and funding of students

- Participation in the organization as well as chaired and/or spoke at a number of the annual interdisciplinary conferences co-sponsored by the Calgary Health Region (Shades of Grey), ran from 1991-2009 and attracted around 300 attendees
- Member, ad hoc Committee that developed Compulsory Family Medicine rotation in Geriatrics, University of Calgary
- Member of ad hoc Committee which developed PEP Traineeship in Geriatrics
- Negotiated (successfully) with Alberta-NWT Command of the Royal Canadian Legion for financial support of our geriatric medical education efforts (\$35,000 in 1995)
- Chair, Symposium on "Health Care Reform and Medical Education," Faculty of Medicine, U. of C. Sept. 18/97
- Co-chair of Course Committee for MainProc-C Course on Dementia (1998-on); successfully negotiated industry sponsorship for development (HMR and Pfizer; total support for initial development \$67,000); led revision of course x 2 (most recently 2003-2004)
- Application submitted and approved for an accredited RCPSC - training program in geriatric medicine (starting July 1, 2001) on behalf of the Division of Geriatric Medicine
- Member, CME Task Force Steering Committee/Continuing Medical Education and Professional Development, U of C (2001)

- Program Director/Chair of the Residency Program Committee in Geriatric Medicine, University of Calgary (2004-2011)
- With Dr. Adrienne Cohen, co-author of inaugural Canadian Geriatrics Society Journal Club (Effectiveness & Tolerability of High Dose (23 mg/d) versus Standard Dose (10 mg/d) Donepezil for Moderate to Severe Alzheimer's Disease: A 24-Week, Randomized, Double-Blind Study), April/ 2011 - Continuing Professional Development initiative of the Canadian Geriatrics Society
- Reviewed the overview on falls in older persons included in the "Calgary Guide to Understanding Disease" / <http://calgaryguide.ucalgary.ca/Content.aspx> (2012-2013)
- With colleagues across Canada working on RCPSC Area of Focused Competence (AFC) diploma in Interdisciplinary Brain Medicine (2012 on)

**VI. ADMINISTRATIVE RESPONSIBILITIES**

- i. Departmental:**
  - Member, Executive Committee (1990-2000, 2007-2008)
  - Head, Division of Geriatric Medicine (1990-2000, 2007-2008)
- ii. Faculty:**
  - Chair, Medical Education Committee (1995-1998)
  - Ex officio Member, Advisory Committee for the Brenda Stafford Chair in Geriatrics (1990 on)
  - Member, Physical Exam Course Committee (1996)

- Member, Curriculum Committee (1991-1993)
- Member, Faculty Council (1990 on)
- Chair, Medical Education Committee (1993-5)
- Faculty of Medicine representative, Selection Committee for Consulting Physician, Palliative Care (1997)
- Member, Selection Committee, Brenda Strafford Chair in Alzheimer Research (1997-2002)
- Member, Advisory Committee, Brenda Strafford Foundation Chair in Alzheimer Research (2002 on)
- Dean's appointee, Faculty Promotions Committee (1998)
- Member Ad Hoc Committee on Allocation of PGYI Positions (1998)
- Member, Sub-Committee on the Graduate Medical Education Section of the Undergraduate Accreditation Self-Study Report, 1999.
- Member, Selection Committee for Geronto-oncology Position (2000)
- Member of the Continuing Medical Education Committee (2001-2005)
- Member, Academic Selection Committee - Geriatric Medicine (2002 on)
- Member, Ad Hoc Committee on Business Goals for CME (2004-2005)

- Full Member, Hotchkiss Brain Institute (2005 on)
- Founding member of the "Aging Cub" (2006-2007)
- Member, Search & Selection Committee for History of Medicine Chair (2007)
- Member, leadership group, W21C (2010 on); on July 7, 2011 took part in the tour of The Duke and Duchess of Cambridge of W21C Research and Innovation Centre
- Member of the Search & Selection Committee for Campus Alberta Innovates Program (CAIP) Chair in Healthy Brain Aging: Focus on the Cerebral Vasculature (2011-2013)
- Member of the Search and Selection (now Advisory) Committee for the Katthy Taylor Chair in Vascular Dementia (2012 on)
- Member of review panel for the Katthy Taylor Chair research grants (Jan-Feb 2013)
- Mentor for Dr. Eric Smith, Hotchkiss Brain Institute, Faculty of Medicine, University of Calgary (2011-2014)
- Member of the Heritage Medical Research Clinic Advisory Board (2014)
- Wrote letter of support for the application of Dr. N. Jette to be promoted to the Professor level
- Reviewer, Hotchkiss Brain Institute/

Department of Clinical Neurosciences  
Pilot Research Fund Program (2015)

- W21C Patient Safety Podcast (Episode 35: Deprescribing in the Care of Older Patients, 2014 ([www.patientsafetypodcast.com](http://www.patientsafetypodcast.com)))
- Internal peer review (Dr. R. Quinn/ CIHR), O'Brien Institute for Public Health

**iii. University:**

- Member, Dean's Academic Appointment Committee (Pharmacoeconomics), 1996-97
- Chair, Advisory Committee of the Brenda Strafford Centre for Excellence in Gerontological Nursing (2009-13)
- Director, Brenda Strafford Centre on Aging (2011 on)

**iv. Hospital/Region/Provincial:**

- Head, Division of Geriatric Medicine (Foothills), 1990-1997
- Director, Geriatric Assessment Program (Foothills), 1990-1997
- Medical Director, Cognitive Assessment Clinic (Foothills), 1994-1997 (then became CHR appointment until Sept/ 2010)
- Member, Division of Geriatric Medicine (1990 on)
- Chair, Southern Alberta Geriatric Advisory Committee (1991-1995)

- Chair, Placement Panel, Placement Co-ordination Services, Carewest (1991-1995)
- Chair, Task Force on Geriatrics, Price Waterhouse Study of Acute Hospital Services in Calgary (1993)
- Interim Medical Leader, Seniors Health Program, Calgary Regional Health Authority (1995-1997)
- Member, Medical Advisory Board, CRHA (1996-97)
- Member, Planning Committee for Progressive Care Unit, Glenmore site (1997)
- Chief, Regional Division of Geriatric Medicine, Calgary Regional Health Authority/ CHR (1998-2000, 2007-2008)
- Member, Steering Committee of the Dementia Care Network (1999)
- Member, Executive Committee for Specialized Geriatric Services (1998-2004)
- Member Physicians' Partnership Steering Committee, CRHA (2000)
- Member, Clinical Advisory Committee, Division of Continuing Care, CRHA (2000-2006)
- Chair, Physician Resource Planning Work Group/Department of Medicine ARP (2002-2003)
- Member, ARP Steering Committee Department of Medicine (2002-2004)
- Interim Co-Chair ARP Management Committee (June-October/2004)
- Chair, ARP Management Committee (2004-2005)
- Cross Bow Site Medical Director,

Specialized Geriatric Services  
(2003-2010)

- Member Medical Site Leaders Committee, Specialized Geriatric Services (2004-2010)
- Member, Dementia Strategy Committee, CHR (2004-2009)
- Member, Dementia Strategy - Service Delivery (Primary Prevention of Cognitive Impairment Working Group), 2004-2005
- Member, Evaluation Team, Physician Workforce Planning - Request for Proposals, Calgary Health Region (2005)
- Member, Regional Advisory Board, Regional Falls Prevention Project, Calgary Health Region (2005 on)
- Medical Leader, Seniors Health, Calgary Health Region (2007-2008)
- Member of the System-wide Case Management Project Advisory Group (2007-2010), Alberta Health Services Calgary Zone
- Member of the Provincial Dementia Strategy Advisory Committee (2009 on), Alberta Health Services
- Chair, AARP (Calgary Internal Medicine) Appeals Committee (2009-2011)
- Member Seniors Health Steering Committee (Ambulatory Services), 2011 on
- Co-chair, Falls Prevention Clinic, Sub-committee of above, Seniors Health, 2011 on
- Medical site lead (Bridgeland Seniors Health Clinic), Seniors Health, 2012 on
- Member of the Seniors Health SCN Core Committee, Alberta Health Services (2012 on)

- Member of the Calgary Zone Decision-Making Capacity Advisory Assessment Committee (2011 on)
- Member, Provincial Age-Related Cognitive Impairment Steering Committee, Alberta Health Services (2013 on)
- Chair, Calgary Department of Medicine AARP Appeals Committee (December, 2014)

**VII. PROFESSIONAL ACTIVITIES (CURRENT)**

**i. Memberships:**

- Alberta Medical Foundation (former President 2006-2007/member of Board of Directors 1998-2014)
- American Association for the Advancement of Science
- Alberta Medical Association/Canadian Medical Association
- American Geriatrics Society
- Calgary History of Medicine Society (former President 2002-2004/ member of executive)
- Canadian Geriatric Society (former President 2000-2002)
- Canadian Society for Clinical Investigation
- Canadian Society for the History of Medicine
- College of Physicians and Surgeons of Alberta
- Consortium of Canadian Centres for Clinical Cognitive Research (former Chair of Research Committee and President)
- International Society of Gerontechnology
- Medical Advisory Board, Brenda Strafford Foundation (Calgary)
- Professional Resource Council, Canadian Down Syndrome Society (till 2006)

**ii. Professional Service (2005 on):**

- Reviewer for: Age & Ageing, American J of Managed Care, Annals of Long-Term Care, Annals of RCPSC, BMC Geriatrics, BMC Medical Education, BMC Public Health, BMJ, Canadian Family Physician, Canadian Geriatrics Journal, Canadian Journal of Clinical Pharmacology, Canadian Journal of Psychiatry, Canadian Journal on Aging, Canadian Journal of Neurological Sciences, Clinical and Investigative Medicine, CMAJ, Diabetes Care, Drugs & Aging, Drug Safety, European Journal of Epidemiology, European Journal of Neurology, Health Reports, International Journal of Family Medicine, Journal of Clinical Epidemiology, Journal of Geriatric Psychiatry & Neurology, J Gerontology, J Geriatr Psychiatry Neurol, J Am Geriatr Soc, Lancet, Nature Clinical Practice Neurology, NeuroImage, Neurology, Open Medicine, Pharmacoepidemiology and Drug Safety, Social Sciences and Medicine, & Stroke
  
- Reviewer for: Alberta Medical Association, Alzheimer's Society of Canada, B.C. Health Research Foundation, CIHR, Dairy Farmers of Canada, Dalhousie Medical Research Fund, Father Sean O'Sullivan Research Centre, FRSQ (Quebec), Health Research Board (Ireland), Heart and Stroke Foundation Canada, Israel Institute for Health Policy and Health Service Research, Manitoba Health Research Council, Medical Research Council, Michael Smith Foundation for Health Research, MITACS, NHRDP, Ontario Ministry of Health, Parkwood Hospital Foundation, Physicians' Services Incorporated Foundation (2011), Scottish Rite Charitable Foundation, TVN (Technology Evaluation in the Elderly Network), Wellcome Trust

**Editorial Boards:**

- Member of Editorial Review Board of The Aging Brain (2001 to 2006)
- Associate Editor, Current Gerontology and Geriatrics Research (2007-2009)
- Editor, Canadian Journal of Geriatrics/  
Canadian Geriatric Journal (2009-2010)

**Peer-Review Committees:**

- Member, Biological & Clinical Aspects of Aging Peer Review Committee, CIHR (2002-2005)
- Member, Peer Review Committee (Mobility and Aging - Pilot Projects), CIHR (2006)
- Chair, Seed Grant: Mobility and Aging program, CIHR (2007)
- Chair, Catalyst Grant: Mobility in Aging, CIHR (2008)
- Chair, Catalyst Grant: Planning and Development in Mobility in Aging Program, CIHR (2008)
- Chair, Catalyst Grant: Planning and Development Grants in Mobility and Aging Committee, CIHR (2008)
- Member, Review Committee, Consortium of Canadian Centres for Clinical Cognitive Research (2011)
- Member and Acting Scientific Officer, CIHR Knowledge Translation Awards Peer Review Committee (2012)
- Member, Canadian Foundation for Innovation (CFI) review committee for the 2012 Leading Edge & New Initiatives Funds (LEF/NIF) competition (2012)
- Internal Peer Review Committee, HBI, Faculty of Medicine, University of Calgary for CIHR Operating Grant Submissions (March 2013)
- Member, Biological and Clinical Aspects of Aging grants committee, CIHR (04/06-06/06/2014)

- Chair, ASRP-CCNA Training Award Committee (Jan.-Feb./15)
- Reviewer/Member, Final Assessment Stage of the Foundation Scheme peer review committee, CIHR (June 8-9/15)

**Other:**

- Judge for Kaufman Prize, Canadian Geriatrics Society (1994, 1995, 1996, 2006)
- Judge for the Dr. Willard and Phebe Thompson Award, Canadian Geriatrics Society (2006)
- Judge for the CIHR Institute of Aging Réjean Hébert Prize in Geriatric Research, Canadian Geriatrics Society (2006, 2013)
- Judge for Edmund V. Cowdry Award, Dr. Willard and Phebe Thompson Award, Kaufman Award, and Rejean Hebert CIHR Institute of Aging Prize in Geriatrics, Canadian Geriatrics Society (2011)
- Chair of the Specialty Committee in Geriatric Medicine, RCPSC (2002-2008)
- Member, NSS Observer on the Specialty Committee In Geriatric Medicine, RCPSC (2002-2010)
- Representative of the CGS on the Steering Committee of the Canadian Coalition for Seniors Mental Health or CCSMH (2002-2006)
- Member, Steering Committee for the Canadian Initiative on Frailty and Aging (2003-2010); Attended investigators' meeting (March 26/27, 2004 and December 9/10, 2004; Montreal) and International Working Meeting on Frailty and Aging (March 16-18, 2006; Montreal)
- Interviewed, television series "A New Look at Aging" (2005), shown on ACCESS and The Canadian Learning Channel (produced by Mount Royal College, White Iron Pictures and United Active Living, Inc)
- Reviewer of "Memantine for Treatment of Moderate to Severe Alzheimer's Disease" (Issues in Emerging Health Technologies, CCOHTA), 2005
- Member of The Cognitive Impairment Working

Group, part of the Toward Optimized Practice (TOP) Review Committee(2006-10)

- Co-Lead, Delirium Canadian Coalition for Seniors' Mental Health (CCSMH) National Guidelines for Seniors' Mental Health Project (2005-2006)
- Member of Steering Committee and Topic Lead (Management of Mild to Moderate Alzheimer's Disease and Dementia), 3<sup>rd</sup> Canadian Consensus Conference on Diagnosis and Treatment of Dementia (March 9-11, 2006; Montreal)
- Invited Participant, National Roundtable on Mobility in Aging, Sponsored by CIHR Institute of Aging (Ottawa, Sept 21/06)
- Reviewer, Draft Seniors Services Action Plan for the Toronto Central Local Health Integration Network (2006)
- Chair, Planning Committee, 2007 AGM of the Canadian Geriatrics Society
- Co-Chair, Western Canada Waiting List Project/ Geriatric Prioritization Tool (2008-2009)
- Member, Demographic Planning Commission, Department of Seniors and Community Supports, Province of Alberta (2008)
- Developed algorithm for physicians on the assessment and prevention of falls among older individuals (part of the "Finding Balance" campaign of the Alberta Centre for Injury Control & Research in the University of Alberta's School of Public Health and the Alberta Medical Association (2008), which was updated 2010-11/2011-12/2014-15)
- Reviewer of Practice Based Small Group (PBSG) Learning Program CME Module on "Fitness to Drive" for The Foundation for Medical Practice Education, McMaster University (2008)
- Participated in the Canadian Foundation for Innovation Site Visit for "The Canadian Longitudinal Study on Aging: Understanding the Complexity of Aging Health through Interdisciplinary Research" (Toronto; January 28, 2009)

- Participant in the CIHR-MRC Workshop on Cohorts for Life-Long Health (London, England; March 11-12/09)
- Member, Canadian Longitudinal Study on Aging (CLSA) Operations Committee (2011 on)
- Member, CLSA Clinical Working Group (2011 on)
- On Planning Committee and moderator for Panel Discussion at the ``Multidisciplinary Fall Prevention Conference 2009: Keeping Fall Prevention on the Radar Screen (Calgary; April 16, 2009)
- Review of nomination for the Manning Innovation Awards (2010)
- Review of research project for ZonMw (Netherlands), 2010
- Review for the National Sciences and Engineering Research Council of Canada (2010)
- Contributed to the creation of the CCSMH Delirium Clinician Pocket Card (based on the CCSMH delirium guidelines), 2009-2010
- Participated in the adaptation of the CCSMH delirium guidelines to assessment & management of delirium in older adults at the end of life (2008-2011)
- Reviewed grant applications, Department of Medicine (University of Calgary) Research Development Fund Awards 2010 and 2012 Competitions
- External reviews for academic promotion (2 performed in 2010; University of Ottawa, Queen's)
- Founded Dementia Clinical-Neuroradiology Case Rounds (February 2011 on) with Drs. Eric Smith, Chris Molnar, and John Lysack
- With Dr. Adrienne Cohen wrote initial review (``Effectiveness and Tolerability of High Dose (23 mg/d) versus Standard Dose (10 mg/d) Donepezil for Moderate to Severe Alzheimer's Disease: A 24-Week, Randomized, Double-Blind Study'') for the Canadian Geriatrics Society Journal Club (a CPD initiative of the CGS), distributed April 8, 2011

- Member, Audit Committee, Consortium of Canadian Centres for Clinical Cognitive Research (2010 on)
- Member, Bylaws Committee, Consortium of Canadian Centres for Clinical Cognitive Research (2013-2014)
- Member, Nominations Committee, Consortium of Canadian Centres for Clinical Cognitive Research (2012)
- Judge at the 2011 Canadian Geriatrics Society Annual Scientific Meeting
- Member of grant review committee for the Consortium of Canadian Centres for Clinical Cognitive Research (April-May 2011)
- Member of work group to update the CCSMH guidelines on delirium (May 2011-2014)
- Invited participant of the 2<sup>nd</sup> Annual Progress Meeting of the National Population Health Study of Neurological Conditions (Toronto; Jan. 24/2012)
- Clinical Expert for CIHI Report "The Use of Selected Psychotropic Drugs Among Seniors on Public Drug Programs in Canada, 2001 to 2010" (2010-2011; published March 2012)
- Clinical Expert for CIHI Report "Adverse Drug-Reaction Hospitalizations Among Seniors, 2006 to 2011" (2012-13; publication 2013)
- Co-Chair of Canadian Geriatrics Society Work Group on Physician Resources (2011-2012, report submitted)
- Member of the planning committee for the National Review Course on Geriatric Psychiatry, Sponsored by the Canadian Academy of Geriatric Psychiatry (2012)
- Reviewer, Department of Medicine and Department of Surgery Research Development Fund Awards 2012 Competition
- Letter of recommendation for appointment to position at the University of Waterloo (2010)
- Letter of support for application of tenure for the Faculty of Medicine, University of Saskatchewan (2011)

- External reviewer for application of academic promotion for the Faculty of Medicine, University of Ottawa (two performed in 2012)
- External reviewer for application of academic promotion for the Faculty of Medicine, University of Toronto (2011)
- External reviewer of Senior Investigator at the Lady Davis Institute for Medical Research, Montreal (2011)
- Reviewed applications for the W21C/ Brenda Strafford Foundation Chair in Geriatric Medicine Gerontechnology Funding Opportunity (2010-11, 2011-12, 2012-13)
- Member, National Advisory Committee, CIHR Team in Frailty and Aging (attended Team Meeting held November 10-11, 2011 at the Lady Davis Institute, Jewish General Hospital in Montreal)
- Attended invitational meeting of older adult service providers on "Housing those with mental health challenges" hosted by Calgary Family Services (Calgary, January 10, 2012)
- Participant in the Vascular Impairment of Cognition Classification Consensus Study (VICCCS), University of Bristol (2011-2012)
- Moderator Hutton Lectures, Alberta Medical Association (Calgary, September 24, 2011)
- Participant in CIHR Science Café on bilingualism ("But our children need to speak English": Cognitive benefits of lifelong language learning), Calgary, January 18/ 2012
- Member of Reducing Falls and Injury from Falls Faculty, Canadian Patient Safety Institute (2011-12)
- Advised Col Cseke (playwright) on "Jim Forgetting" (premiered in Calgary, March 21, 2012), 2011-12
- Co-Chair of Planning Committee, Global Perspectives on Assessing Older Drivers: Science Informing Public Policy - A Research Symposium (Calgary, June 21-23, 2012)

- Contributor to the ``Neurological Registries Best Practice Guidelines and Implementation Toolkit Project'' - available at <http://canadianregistrynetwork.org/overview/> (2011-13)
- Member of the Synthesis Panel for the National Population Health Study of Neurological Conditions (2013-2014)
- Member, Research Executive Committee, Canadian Consortium on Neurodegeneration in Aging (CCNA) (2013 on)
- Member, Dementia Network of Calgary and Area (2013 on)
- Chair, CCNA-CLSA Liaison Committee (2014 on)
- Director, CCNA-CLSA Training and Capacity Building Program (2014 on)
- Advised on policy for sedation of LTC residents in Calgary zone for dental care (2013)
- Ad hoc member of the DCNS/HBI Team Grant Advisory Panel for the Jette CRIO Team Application (Oct/Nov. 2013)
- Content Expert Review and Contributor, ``Brain Disorders in Ontario: Insights from the Health Systems Data'' (Dementia - including Alzheimer's disease), Ontario Brain Institute and Institute for Clinical Evaluation Sciences (2014-2015)
- Faculty, Falls Risk Management Collaborative (Alberta Health Services), 2014
- Reviewer, Rivastigmine for Alzheimer's Disease, Cochrane Systematic Reviews (2014)
- Member, City of Calgary Seniors Age-Friendly

Strategy Steering Committee (2014 on)

- Participant, Cross-Provincial Applied Health Research Meeting (Calgary, March 20/14)
- Invited participant (Frailty in Acute Care Invitational Meeting), funded by CIHR (Banff, May 1-3/14)
- Member (External Review Committee), Division of Geriatric Medicine, University of Alberta- External Review (on-site visit Sept. 29/14)
- Consultant by the Alberta Medical Association on proposed changes by Alberta Transportation to the driver's medical form (2013 on)
- External referee for the application of Dr. Janet Gordon to be promoted to Professor level (Dalhousie), 2014
- External referee for the application of Dr. M. Montero Odasso to be promoted to Professor level (UWO), 2014
- Member, Internal Review Committee (ABCs grant Proposal/Brain Canada), Dec/14-Jan/15
- Member of Expert Review Committee for TOP Cognitive Impairment Clinical Practice Guidelines (2014-2015)
- Invited participant, Delphi Meeting on Multimorbidity Definitions, CIHR (Estimating Health Service Utilization), Toronto (Jan 30/15)
- Reviewer, Behavioural Problems in Dementia module for the Practice-Based Learning Programs, Foundation for Medical Practice Education (2015)
- Member, 2016 CGS ASM Planning Committee (June 2015 on)

- External Evaluation/promotion application), Faculty of Medicine, University of Ottawa (2014-15)

#### **VIII. RESEARCH SUPPORT (2008 on)**

- Co-Investigator (C.J. Maxwell and L. Strain Co-Pls), "Continuing Care Reform: Implications for the Balance and Quality of Care for Frail Older Canadians" (AHFMR Programs in Health Services Research; \$900,000; 2005-2008)
- Co-Investigator (Mark Oremus/Jean-Eric Tarride Pls), "An Assessment of Canadians' Willingness-to-Pay for Alzheimer's Disease Medications: Patients, Caregivers, and the General Public" (CIHR; \$553,600; 2008-2010)
- Collaborator (Kenneth Rockwood, Howard Chertkow, Howard Feldman, Janice Keefe, and Ken LeClair PIs), "Research to Action Program in Dementia" (CIHR Knowledge Emerging Team Grant: Applied Health Services and Policy Research Translation Network in Alzheimer and Dementia Competition; \$690,000/ year for 5 years; 2008-2013)
- Co-Applicant (Jayna Holroyd-Leduc/ Sharon Straus Co-PIs), "Preventing delirium among hospitalized older hip fracture patients: applying evidence to routine clinical practice" (CHR Knowledge Translation Competition; \$78,188; 2008-2009)
- Co-Investigator (Heidi Schmaltz PI), "Improving the care of older adults through the optimal use of telehealth" (MSI Foundation; \$50,000 over 2 years; 2008-2010)
- Collaborator (Paul Stolee, Richard Cook, Katherine Berg, Mary Egan, and Bert Chesworth PIs), "InfoRehab: Enhancing MSK Rehabilitation through Better Use of Health Information" (CIHR Emerging Team Grant: Applied Health Services and Policy Research; \$307,000/ year for 5 years; 2009-2014)

- Co-investigator (Neil Drummond PI), ``Dementia Services and Health Outcomes'' (CIHR Partnerships for Health System Improvement; \$50,000/year for 2 years; 2008-2010)
- Co-Applicant (Marc Poulin PI), ``Effects of Regular Exercise on Cerebrovascular Reserve in Older Adults: Role in the Prevention of Age-Related Cognitive Decline'' (CIHR; \$131,840/year for 5 years; 2009-2014)
- Co-Applicant and site PI (Parminder Raina PI), Canadian Longitudinal Study on Aging (CIHR; \$23,500,000 over 5 years; 2009-2014)
- Co-Applicant and Site PI (Parminder Raina PI), Canadian Longitudinal Study on Aging (New Initiatives Fund, Canadian Foundation of Innovation; \$10,215,493 over 5 years; 2009-2014)
- Calgary Site PI; Canadian Longitudinal Study on Aging (Alberta Science and Research Investments Program; \$383,021 over 5 years; 2009-2014)
  
- Co-Investigator (Eric Smith PI), ``Multi-modal study of vascular function in cerebral small vessel disease'' (Vascular Cognitive Impairment Competition - Canadian Stroke Network; \$250,000/ year for 2 years; 2009-2011)
- Co-Investigator (Maxwell CJ PI), Enhancing system capacity to improve the quality and continuity of mental health care for seniors in assisted living and long-term care (Alberta Mental Health Research Partnership Program - Collaborative Research Grant Initiative: Mental Wellness in Seniors and Persons with Disabilities; \$210,000 over 4 years; 2009-12)
- Co-Investigator (John P. Hirdes PI), Innovations in Data, Evidence and Applications for Persons with Neurological Conditions (ideas PNC), Public Health Agency of Canada - National Population Health Study of Neurological Conditions (2010-2013, total \$1,477,342)
- Co-Applicant (Nathalie Jetté and Tamara Pringsheim PIs), National Population Health

Study of Neurological Conditions, Public Health Agency of Canada - National Population Health Study of Neurological Conditions (2011-2013, \$402,000)

- Co-Applicant (Jenny Basran PI), Ambulatory Activity of Older Adults in Acute Care, CIHR Planning Grant (2011-2012, \$21,266)
- Co-Applicant (Philip Jong, George Heckman, Linda Lee, and Robert McKelvie PIs), A Primary Care-based Model of Complex Chronic Disease Management for Seniors, CIHR Planning Grant (\$24,476, 2011-2012)
- Co-Applicant (William A. Ghali Collaborative Lead), W21C: Interdisciplinary Research and Innovation for Health System Quality and Safety, AIHS Collaborative Research and Innovation Opportunities (CRIO) Program and Team Full Application Competition (\$1000000 a year for five years; to begin in 2013)
- Co-Applicant (Howard Chertkow, Nominated Principal Applicant), Expression of Interest to the CIHR Canadian Consortium on Neurodegeneration in Aging (CCNA) Funding Opportunity, CIHR (\$71,606; June/13)
- Co-investigator (CJ Maxwell and SE Bronskill Pls), "Exploring frailty and its role in the assessment of high risk medications and risk for poor health outcomes in vulnerable populations", CIHR (\$330,803; 2014-2017)
- Co-Applicant, CCNA (Howard Chertkow, Nominated Principal Applicant), CIHR (\$21,948,000; 2014-2019)
- Co-investigator, Framing-LTC (Andrew Morris, Chaim Bell, Susan Bronskill, Lianne Jeffs, and Colleen Maxwell Principal Investigators), TVN Strategic Impact Grant (\$596,906; 2014-2017)
- Co-Applicant and Calgary Site PI (Parminder Raina PI), Canadian Longitudinal Study on Aging (CIHR; \$41,600,000 over 5 years; 2015-2020)
- Co-Investigator (Marc Poulin PI), Effects of aerobic exercise on cognition and brain health

in older adults at increased risk of Alzheimer disease and dementia, CIHR (\$890,551; 2015-20)

#### **IX. INVITED ADDRESSES (2008 on)**

- Participant in CIHR Sponsored Meeting to adapt CCSMH Delirium Guidelines to Palliative Care (Jan. 21-22/08), Ottawa)
- Presentation on Neurodegenerative Diseases at Older Adults' Health and the Environment Workshop (Health Canada), Feb. 5-6/08, Ottawa
- Participant in Debate on the Role of Cholinesterase Inhibitors in LTC (7<sup>th</sup> Annual LTC Pre-Colloquium, Feb. 7/08, Calgary)
- Gave Concurrent Session on Heart Disease in the Elderly (7<sup>th</sup> Annual LTC Colloquium, Feb. 8/08, Calgary)
- Presentation on the Practitioner and Frailty, First International Meeting of the CIHR Team in Frailty and Aging, Feb. 14/08, Montreal
- Speaker, Neuropsychology Journal Club, Feb.15/08
- Presentation on "The Aging Mind" (with Dr. Michael King) at the 17<sup>th</sup> Annual Shades of Gray Conference (Calgary Health Region), Calgary/ Alberta (June 12, 2008)
- Presentation on "The Aging Mind" (with Dr. Michael King) at the 17<sup>th</sup> Annual Shades of Grey Conference (Calgary Health Region), Calgary/ Alberta (June 12, 2008)
- Presentation with Dr. Michael King on "Aging Brain/Compensating Brain" Calgary Health Trust, Sept. 23/2008)
- Invited speaker/observer, VITALITY Geriatric Research Workshop (UBC; January 12, 2009; Vancouver)
- Participant in a presentation on the Canadian Longitudinal Study on Aging and a follow-up meeting about environmental assessment in this study (Health Canada; January 20, 2009; Ottawa)
- Talk on "Fall Prevention and Older Persons - Implementing Best Practices at the Coal Face" at Seventh Annual Cape Breton Health Research

- Symposium - Aging: Its Effect on Health, Hospital, Community, and Family (Sydney, Nova Scotia; April 24, 2009)
- Invited talk at the Annual Meeting of the Canadian Society of Geriatric Medicine (Ottawa, April 16, 2010) on "Finding Balance" (part of the "Delivering Best Care Forum")
  - Presentation on the Canadian Longitudinal Study on Aging ("Aging, research, and investing in our collective future - making sure the best is yet to be") as part of the 2010/2011 Public Health (AHS) WORKS Speaker Series (Edmonton, Sept. 21/2010)
  - Presentation at the Academic Rounds of the Division of Geriatric Medicine/Regional Geriatric Assessment Program Rounds (University of Ottawa) on "10 Lessons Learned in Geriatrics"
  - "A man's errors are his portals to discovery (James Joyce, 1882-1941)" (Ottawa, September 30/10)
  - Keynote address ("The future of geriatrics and geriatric care/l'avenir de la geriatric et les soins geriatriques") at the Annual Meeting of the Regional Geriatric Program of Eastern Ontario (Ottawa, October 1/2010)
  - Presentation on "What's the Benefit of Treating Vascular Risk Factors in Older Patients?" at Libin Cardiovascular Institute of Alberta Conference "Taming the Vascular Disease Epidemic - From Global to Local" (Calgary, October 21/2010)
  - Invited talk ("Frailty and Cognition") at the 6<sup>th</sup> International Symposium on Geriatrics and Gerontology (National Center for Geriatrics and Gerontology, Nagoya/ Obu City, Aichi Prefecture, Japan; November 13, 2010)
  - Invited talk (Prevention of Alzheimer disease and other dementias) at the Canadian Dementia Action Network "A Day on AD" (January 28, 2011; Koerner Hospital, Vancouver, BC)
  - Presentation titled "Current Thinking about

- Mild Cognitive Impairment'', Seniors Health Interdisciplinary Rounds (Calgary/ March 10, 2011)
- Participant on ``Anniversary Panel of the Calgary History of Medicine Days Conference'', 20<sup>th</sup> Anniversary History of Medicine Days 2011 (Calgary/ March 11, 2011)
  - Presentation on ``Fall Prevention in Older Adults'' to physicians & nurses working in the Alex Seniors Health Centre (Calgary/ March 23, 2011)
  - Respondent to presentation by Professor Margaret Lock titled ``Facing Uncertainty: Who Is Destined for Alzheimer's Disease'', Calgary component of a multi-part series examining the roles of the public in the translation and understanding of the knowledge of science called ``Science and its Publics'' sponsored by Canadian Centre for Ethics in Public Affairs (a joint initiative of the Atlantic School of Theology and Saint Mary's University (Calgary/ March 25, 2011)
  - Presentation to FMC hospitalists on appropriate prescribing, FMC (May 11, 2011)
  - Speaker at invitational session (``How Polypharmacy Distorts Trial evidence in Older Adults''), 32<sup>nd</sup> Annual Meeting of the Society for Clinical Trials (Vancouver, May 17/2011)
  - Plenary address (Update on Dementia: Determinants, Diagnosis, and Drugs) and moderator of panel discussion (``I wish I had known'') at the 19<sup>th</sup> Annual Shades of Grey Interdisciplinary Conference, Integrated Seniors Health, AHS- Calgary Zone (June 9/11)
  - Talk on ``Personhood in Dementia'' at the ``Putting the Person First'' education day of the Brenda Strafford Foundation (Wentworth Manor, Calgary), September 28, 2011
  - Participated in a CIHR Café Scientifique on the cognitive benefits of lifelong language learning (January 19/12, Bottlescrew Bill's in Calgary)

- Talk at Neuro Rehab Rounds on "Medical Management of Dizziness and Balance Problems in Seniors", Alberta Health Services - Calgary Zone (Calgary, March 14, 2012)
- Canadian Gerontological Nursing Association Webinar presentation on "Delirium" (December 8, 2011)
- Invited talk titled "Transitions in Chronic Disease Management", Shades of Grey Symposium (Calgary, June 7, 2012)
- Invited talk titled "Is it normal for my age? A clinical approach to the physiology of ageing and age associated disease", Divisions of Geriatric Medicine and Care of the Elderly, University of Alberta Geriatric Update Conference (Challenges & Solutions: Geriatric Medicine 2012; Edmonton, June 9, 2012)
- Presentation titled "Competency and Capacity Assessment in Older Patients" to the Foothills Medical Centre hospitalist group (June 27/12)
- Presentation titled "The Acutely Ill, Consent, Assessing Capacity and Decision-making Options" to the Foothills Medical Centre hospitalist group (Sept. 18/12)
- Keynote speaker at the Canadian Academy of Geriatric Psychiatry and Canadian Coalition for Seniors' Mental Health Joint Conference (Celebrating the Past, Present & Future of Seniors' Mental Health, September 21-22, 2012 (Banff, Alberta)
- Presentation at the Memory Plus program on "Challenging behaviours in dementia" (Oct. 2/12, Greater Forest Lawn Seniors Centre, Calgary)
- Workshop on "Frailty" at the Physiotherapy Alberta Conference (College & Association) Evidence + Outcomes Conference, October 21/12 (Delta Bow Valley, Calgary)
- Presentation titled "Dr. Google" at the Kerby Centre (Oct. 22/12)
- Participant on panel about "Dementia in Research", Inspiring Quality in Continuing Care (sponsored by Alberta Health Services and the

- Alberta Continuing Care Association), Nov. 7/12  
(Calgary Telus Convention Centre)
- Participated in Community Information Forum (Question & Answer format) for the Alzheimer Society Calgary; approximately 300 people attended (January 26/ 13, Delta Calgary South)
  - Presentation on "Healthy Brain Aging" for the West Springs Cougar Ridge Community Association; app 55 people attended (West Springs Free Methodist Church, Calgary on January 30/13)
  - Gave inaugural Fall Prevention Education Rounds (Calgary Fall Prevention Clinic, AHS) on "Using Technology to Study and Prevent Falls" (Feb. 28/13, Calgary and with remote sites connected via telehealth)
  - Participated in Community Information Forum (Question & Answer format) for the Alzheimer Society Calgary; approximately 150 people attended (April 13/ 13, Hotel Blackfoot)
  - Gave talk on "Train for Gain - Promoting Healthy Brain Aging" as part of the Canmore Seniors' Association Life Long Learning program (Canmore, April 22/13)
  - Keynote (Dementia, Delirium, and Depression in Medically Ill Older Patients) at the 20<sup>th</sup> Annual Atlantic Psychiatric Conference 2013 (Charlottetown, May 30/13)
  - Presentation (Falls Assessment: More than Just Gravity) with Cathy Whittle and Cathy Harbidge (Seniors Health Interdisciplinary Rounds, Calgary, Oct. 10/13)
  - Keynote (Elder Care and Aging Research: Encouraging Best Practices), Council on Healthy Aging, The Conference Board of Canada (Calgary, Nov. 21/13)
  - Keynote (Personal Reflections on the Design and Delivery of Services to those with Cognitive disorders) at 11<sup>e</sup> colloque CESCO (Ensemble dans l'action: les outils en soutien aux personnes atteintes de la maladie d'Alzheimer), sponsored by Institut universitaire de geriatrie de Montréal, Université de Montréal, and Centre

- d'excellence en santé cognitive (Montréal, Oct. 25/13)
- Presentation (Dizziness in Older Patients), AHS-Calgary Zone Vestibular Interest Group (Calgary, May 14/14)
  - Panel member (Whither Geriatrics - a Lost Cause or a Real Opportunity?), 34<sup>th</sup> Canadian Geriatrics Society Annual Scientific Meeting (Edmonton, Apr. 11/14)
  - Presentation (Top 10 Papers of 2013), 34<sup>th</sup> Canadian Geriatrics Society Annual Scientific Meeting (Edmonton, Apr. 12/14)
  - Keynote (The Hedgehog and the Fox - Do We Do One Big Thing or Many Small Things?), Shades of Grey - 21<sup>st</sup> Annual Interdisciplinary Conference (Calgary, June 12/2014)
  - Presenter at Community Information Forum, Alzheimer Society Calgary (Calgary, Sept. 20/14)
  - Member of Featured Panel (Driving Assessment and Evaluation), 2014 Grey Matters (Red Deer, Oct. 1/14)
  - Presentation with Dr. C.J. Maxwell (High Rates of Hospitalization from Assisted Living), Home and Continuing Care Open Forum (CIHI), Oct. 7/14
  - Presentation (Unus pro omnibus, omnes pro uno - Contributing to and Benefitting from National Investments in Research), Alberta Health/Alberta Innovates Health Solutions Research Network Fest 2015 (March 20/15, Edmonton)
  - Presentation (Alzheimer Disease and Related Dementias), The Gordie Howe C.A.R.E.S. Pro-Am Hockey Tournament (Apr. 17/15, Calgary)
  - Member of Panel on Workload Planning and Analysis, CancerControl Alberta (May 13/15)
  - Presentation on "Healthy Brain Aging" to Calgary Association of Lifelong Learners (May 21/15), Calgary)
  - Opening Remarks, FACE IT: Elder Abuse Happens Conference (May 22/15, Calgary)
  - Chair, Session #2, The 11<sup>th</sup> Annual HBI Research Day (June 4/15, Calgary)
