Check-in and Boarding Times

In order to allow plenty of time for check-in procedures, baggage drop-off and security checks, always arrive at the airport **well in advance of your flight**. Please familiarize yourself with check-in/baggage drop-off as well as boarding gate deadlines (see table below) as they apply to your destination.

Failure to respect these deadlines may result in the reassignment of any reserved seats, the cancellation of reservations, and/or ineligibility for denied boarding compensation.

Important:

- If you are travelling on a [codeshare flight](#), please familiarize yourself with the other airline's policies on check-in times and procedures.

Check-in Tip: To avoid airport line-ups, try our convenient [Web Check-in](#), [Mobile Check-in](#) or our self-service [Check-in kiosks](#) available at most airports used by Air Canada.

Check-in and boarding gate deadlines

Travel	When you should check-in*	Check-in/baggage drop-off ends**
Within Canada	90 minutes	45 minutes† † Exception: 20 minutes for flights departing from Toronto City Airport (YTZ).
To/From the U.S.	120 minutes	60 minutes
International	120 minutes	60 minutes
Algiers, Algeria Casablanca, Morocco; Tel-Aviv, Israel	180 minutes	60 minutes

- * Recommended check-in time
You should check in no later than the times indicated in this column. This will ensure you have plenty of time to check in, drop off your checked baggage and pass through security.
E.g. if your flight from Paris leaves at 4 pm, we recommend that you check in no later than 2:00 pm (i.e. 120 minutes before your flight).
- ** Check-in and baggage drop-off deadline
You must have checked in, obtained your boarding pass and deposited all checked baggage at the baggage drop-off counter before the check-in deadline for your flight.
E.g. if your flight to or from a U.S. city leaves at 7 am, you must have checked in and deposited your checked baggage by no later than 6 am (i.e. 60 minutes before your flight).
- *** Boarding gate deadline
You must be present at the boarding gate by the boarding gate deadline.
E.g. if your flight from Toronto to Ottawa leaves at 11 am, you must be at the boarding gate by no later than 10:40 am (i.e. 20 minutes before your flight).

Visit our [Travel Info](#) section at aircanada.com to find all the information you'll need to plan your trip. Learn more about travel documents, baggage information, health tips, Maple Leaf™ Lounges and a preview of onboard meals and entertainment.

Overbooking of Flights

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline mentioned above, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.

Failure to respect these deadlines may result in the reassignment of any reserved seats, the cancellation of reservations, and/or ineligibility for denied boarding compensation.

Important:

- If you are travelling on a [codeshare flight](#), please familiarize yourself with the other airline's policies on check-in times and procedures.

Check-in Tip: To avoid airport line-ups, try our convenient [Web Check-in](#), [Mobile Check-in](#) or our self-service [Check-in kiosks](#) available at most airports used by Air Canada.

Overbooking of Flights

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline mentioned above, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.
