

Instructions for the University of Calgary
Applications for the Rhodes Scholarship Competition 2022
(These set of instructions cancels those issued for previous years)

About the Rhodes

The current document outlines the internal endorsement process for UCalgary students only.

The Rhodes Scholarships are funded by the estate of Cecil J. Rhodes (The Rhodes Trusts) and are considered one of the oldest and most prestigious international scholarships for outstanding scholars from any academic field of study.

Rhodes Scholarships are tenable for postgraduate studies or a second bachelor's degree at Oxford University, for two years with the possible extension for a third year. The Scholarships cover all approved fees (such as matriculation, tuition, laboratory fees, and certain other set charges), in addition to living expenses.

Eleven Canadian Rhodes Scholars are chosen each year from among those nominated by Canadian universities across the country. Three of these scholarships are allotted to The Prairie Region (Manitoba, Saskatchewan and Alberta).

Please familiarize yourself with the [2022 Canadian Rhodes Scholarship Package](#). The Rhodes Canada document is the official information for candidates.

Eligibility

For the 2022 Scholarship, all candidates must:

a. Nationality/citizenship: You must be a Canadian citizen or a permanent resident of Canada (students who are attending a Canadian university on a student visa are not eligible to apply).

b. Education/residency: You must be domiciled in Canada.

c. Age: Upon 1 October 2021, you must meet either of the below criteria: i. You must be at least 18 and have not reached your 24th birthday (i.e. you must have been born after 1 October 1997 and on or before 1 October 2003).

OR (for older candidates who completed their first undergraduate degree later than usual) ii. You must have not reached your 27th birthday (i.e. have been born after 1 October 1994) AND you have met or will meet the requirements for completion of your first degree must have been (or will be) awarded on or after 1 October 2020* * A university's policy determines the date a degree is considered awarded. In ambiguous cases, the decision of the National Secretary is final.

d. Academic achievement: You must have completed (or will have completed by June / July 2022) an undergraduate degree from a college or university (normally a Bachelor's degree) to a sufficiently high standard to be admitted to postgraduate study at the University of Oxford. In this respect, please note carefully the requirements for your chosen course at Oxford.

As noted on the Rhodes website, Cecil Rhodes's vision in founding the Scholarship was to develop outstanding leaders who would be motivated to fight 'the world's fight' and to 'esteem the performance of public duties as their highest aim', and to promote international understanding and peace.

His will outlines four criteria to be used in the election of Scholars:

- literary and scholastic attainments
- energy to use one's talents to the full
- truth, courage, devotion to duty, sympathy for and protection of the weak, kindness, unselfishness and fellowship
- moral force of character and instincts to lead, and to take an interest in one's fellow beings.

In short, Rhodes Scholarship selection committees will be seeking young women and men of outstanding **intellect, character, leadership, and commitment to service**. The Rhodes Scholarships support students who demonstrate a strong propensity to emerge as "leaders for the world's future."

The Rhodes Scholarship does not require a specific grade point average; however, given the fierce competition for the Rhodes, candidates must have excellent academic records to be considered by the University of Calgary's Internal Rhodes Review Committee. In general, candidates with a 3.7 CGPA or higher are most competitive.

Before Applying

Before applying, potential candidates should research the academic programs offered at Oxford. The strongest applicants are able to articulate their suitability for a program at Oxford that corresponds with their academic profile and aspirations.
