Access to health research: Participation and empowerment of Aboriginal Peoples in research to improve health and well-being. CIHR Network Environments for Aboriginal Health Research (NEAHR) program \$586,667 average per annum over 3 years (\$1.760M total), October 1, 2007 - September 30, 2010.
13. Thurston W (co-PI), Amaratunga (co-PI). **McIntyre L** (co-investigator with others, and leader of the sub-project on food provisioning among prion-affected beef farming families; also one of four-person letter of intent preceding formal grant). A cohort study of the impact of prion disease on farm community health. PrioNet Canada \$200,000 April 2006-April 2007, Alberta Prion Research Institute-Alberta Ingenuity \$97,000 April 2006-April 2007.
14. Glanville NT (PI), **McIntyre L**, Hobson H (co-applicants). Impact of diet quality on body mass index: Interrelationships among food choice behaviours, physical activity and food security status. CIHR RFA: Canadian Community Health Survey (CCHS) Cycle 2.2 on Nutrition, Application Number 153958, \$48,500 for two years July 1, 2006-June 30, 2008. Approval for carry forward to June 30, 2009. Ethics ID: E-20377.
15. **McIntyre L** (Awardee), Thurston WE (Mentor). Women, food insecurity, and systemic inequities: An international gender-based analysis of the hunger and family food provisioning experience. New National & International Perspectives on Gender and Health, Career Transition, CIHR-Institute for Gender and Health, CIHR 200509NIC, Application Number 154274 \$70,000 per year towards salary plus \$10,000 per year research grant, July 1, 2006 – June 30, 2008. Scored 4.60 #1 in Committee.
16. Mann K (Co-PI), McFetridge-Durdle J (Co-PI). Project Co-applicants: Clovis J, Frank B, Mansour S, **McIntyre L**, Martin-Misener R, Rasmussen G, Rowe R, Ryding H, Versnel J, Wittstock L. [I initiated the team and participated in two of three sub-groups and the writing group for grant preparation. Continuing involvement will be as project consultant and Evaluation sub-committee.] Seamless Care: An interprofessional education project for innovative team-based transition care. Health Canada Health Human Resources Strategies Division, IECPCP Initiative, \$1,058,747, June 15, 2005 – March 15, 2008. Left active consultation and committee work on this grant July 1, 2006.
17. Glanville NT (Co-PI), **McIntyre L** (Co-PI). The impact of intrafamilial food distribution on diet quality of poor, mother-led families. Danone Institute \$29,000 June 1, 2004 – June 1, 2006. Completion of study original study supplemented by NSHRF studentship led to \$17,000 unspent and permission to carry forward for phase 2 study to June 1, 2008.

18. **McIntyre L** (PI), Williams P (co-I), Glanville NT (co-I). Exploring milky ways: Investigation of the impact of, and barriers to, stabilizing monthly milk intake among low-income mothers and their children in Nova Scotia. Dairy Farmers of Canada \$25,296 per year for two years, plus extension, January 1, 2004-June 30, 2006.
19. Lyons R (PI), **McIntyre L** (co-inv and co-theme leader public health) with 18 other co-inv. Reconfiguring physical and social environments to improve health: Research infrastructure development in Atlantic Canada. CIHR-Centres for Research Development. \$366,640 per year recommended for 6 years. Sept 2003-2009 [total award \$2,133,772]. Left network management July 1, 2006 and joined Atlantic Networks for Prevention Research Advisory Group 2006-
20. Wien F (PI), **McIntyre L** (co-inv) with Mi'kmaq Health Research Group. ACADRE, \$478,000 annually, October 1, 2002-Sept. 30, 2005 (renewable).
21. **McIntyre L** (PI), Tarasuk V (co-inv). Feast and famine cycling among food-insecure women: Implications for nutritional health and body weight. Nova Scotia-CIHR Regional Partnership Program Operating Grant, \$62,198 (Funding 50% CIHR, 25% Nova Scotia Health Research Foundation, and 25% Dairy Farmers of Canada). Oct. 1, 2002 – March 31, 2004, extended to October 31, 2004.
22. Wien F (PI), **McIntyre L**. (co-inv) with Mi'kmaq Health Research Group. Mi'kmaq health research group planning grant. ACADRE Planning Grants. CIHR/Institute of Aboriginal Peoples' Health. Oct. 1, 2001-Sept. 30, 2002, \$50,000.
23. **McIntyre L** (co-PI), Travers KD (co-PI), Glanville T (co-inv): Hungry Mothers of Barely Fed Children. NHRDP No. 6603-1550 Sept. 1998-Oct. 31, 2001, \$154,101.
24. **McIntyre L** (PI), Travers KD (co-inv): Children's Feeding Programs in Atlantic Canada: Reducing Inequities? NHRDP No. 6603-1416 Sept. 1994-Dec. 1996, \$118,030.
25. **McIntyre L**: A Survey of Breakfast-skipping in Young Schoolchildren in Nova Scotia, NHRDP No. 6603-1367-62, June 1/91 -May 31/92, \$44,074.
26. **McIntyre L**: A Review of Strategies for Supplementary Feeding of Children of Low Income Families, NHRDP No. 6603-1361-CH/2, Oct 15, 1990 -June 15, 1991, \$16,645.
27. Belzer E (Co-PI), **McIntyre L** (Co-PI), Anderson, G, Field C, Manchester L: Dartmouth Health Promotion Study: A Longitudinal Investigation of the Effect of a Coordinated Comprehensive School Health Program, NHRDP, budget 1989-90 \$94,270; budget 8/90-3/91 \$97,000, budget 4/91-1/94 \$502,000; TOTAL funding Feb. 88-Feb.94, \$874,039.

28. **L. McIntyre** (P.I), J. Malcom, B. Ryan: Impact Evaluation of Health Education Program at a Community Hospital, Dec. 1988- Sept 91, NHRDP Ref. No. 6603 1291-46, \$103,187.44.
29. **L. McIntyre**: Project Director, Dalhousie Kumasi Education and Development Project (CIDA Ref. No. 010256 S27242) 1988-1992, CIDA`s contribution \$869,358.
30. **L. McIntyre**: Principal Investigator: Seroepidemiology of Blastomycosis in Northwestern Ontario, 1982-83, NHRDP approx. \$4000.

Other funding received –Collaborator status

1. Potvin L, Hawe P (co-PIs) with many other co-investigators and collaborators; **McIntyre L** (collaborator): CIHR/NCCPH Training Grant in Population Health Intervention Research (PHIRNET). July 2009-2015; \$282,667 per year for 6 years.

Contracts

1. Thurston W (PI), **McIntyre L**. Recovering community well-being: Community population health promotion in Fort Chipewyan. Alberta Health & Wellness. April 1, 2012-Mar 31, 2013 \$420,425; Apr 1, 2013-Mar 31, 2014 \$430,461; Apr 1 2014-Mar 31, 2015 \$401,834 Total AHW: \$ 1,252,720; Supplemental funding from Health Canada for Project Coordinator: April 1, 2012-Mar 31, 2013 \$91,175; Apr 1, 2013-Mar 31, 2014 \$99,715; Apr 1 2014-Mar 31, 2015 \$109,110, Total HC: \$ 300,000 GRAND TOTAL: \$1,552,720 Project terminated after award. \$99,715 used for one sub-project.
2. McLaren L (PI), Shwart L, Potestio M, McNeil D, Faris P, Lorenzetti D, **McIntyre L**, Patterson S. Alberta oral health surveillance project. Alberta Health & Wellness, Feb 1 – Mar 31 2012: \$30,000; April 1 2012 – March 31 2013: \$100,000; April 1 2013 – March 31 2014: \$120,000; Total: \$250,000; Supplemental funding Alberta Health Services November 2013-March 2014 \$70,000
3. Orenstein M, Lee M (Habitat Habitat Health Impact Consulting, Principals), **McIntyre L**, Rondeau K (co-investigators). Synthesis paper and policy options related to food security in Nunavut. Government of Nunavut, Department of Health and Social Services, December 15, 2010- March 18, 2011, \$25,000
4. **McIntyre L** (Principal Investigator), Hawe P, Hatfield J, Lee M, McLaren L, Meadows L, Rock M, Russell M, Shiell A, Thurston W, Tough S, Vollman A (co-investigators). Synthesis of the SDOH Paradigm Gap, National Collaborating Centre for Determinants of Health, June 9, 2009-March 15, 2010 \$22000.

5. Russell M (Principal Investigator) and **McIntyre L** (co-investigator): Boundaries and overlap: Community Medicine versus Family Medicine and other Specialties. Public Health Workforce Development and Tools Funding Program, Office of Public Health Practice, Public Health Agency of Canada, April 1, 2007- March, 31, 2009, \$18,823.
