ISS Welcome Webinar: 
Exploring Calgary

Session Etiquette

• Please keep your microphone off/muted
• Please note that questions asked during the presentation will not be answered. Once the Q&A portion begins, we will start answering questions then.
• If your question is not answered at the end of the webinar, first review the ISS website for resources (ucalgary.ca/iss), then email iss@ucalgary.ca.
• This session will be recorded. The recording and slides will be posted within 2 business days: ucalgary.ca/student-services/iss/advising/iss-webinars-workshops
Territorial Acknowledgement

We acknowledge the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Blackfoot Confederacy comprising the Siksika, Piikani, and Kainai First Nations, the Tsuut’ina First Nation, and the Stoney Nakoda including the Chiniki, Bearspaw, and Wesley First Nations. The City of Calgary is also home to Métis Nation of Alberta, Region III.

The University of Calgary is situated on land adjacent to where the Bow River meets the Elbow River, and the traditional Blackfoot name of this place is “Moh’kins’tsis”, which we now call the City of Calgary.

Calgary

- With a population of 1,581,000 people, Calgary is one of the largest cities in Canada.
- It is divided into 4 quadrants: Northwest, Northeast, Southeast and Southwest.
- Downtown Calgary is in the center of the city with numbered streets and avenues.
Exploring Calgary

Transit System
Public Transit Fare: UPASS

Getting Around: C-Train

• Most common challenges
  • Getting on wrong train downtown
  • Forgetting UPASS or fare
  • Delays or accidents = shuttle buses

• Best thing about C-Train
  • Good option after a night out
  • That one driver who tells jokes/weather updates...
  • Easy to read or relax while commuting
Getting Around - Bus
Getting Around: Bus!

• Bus routes extend from train lines or provide alternate options
• Fare is required (show driver UPASS)
• Route ### Name/Neighbourhood
  • Route 300 BRT Airport/City Centre
• MAX Orange; MAX Teal; MAX Purple

• Check the weather before leaving home
• Dress for the weather
Getting Around: Where’s My Bus!?  

• Calgary Transit App  
• Google Maps  
• Teletext: 74000  
  • Stop number, space, route number
Getting Around: Where’s My Bus!?

• Most common challenges
  • Missing bus (try to get to stop 5 min early)
  • Forgetting UPASS or fare
  • Hurry up and wait!

• Best thing about the bus
  • You don’t have to drive (or clear snow off your car 😊)
  • Drivers tend to be friendly and helpful!
Getting Around: Driving

- Calgary is built for cars
- Some parts are more walkable than others
- Residential areas—good to have a car
- Exploring outside Calgary—car or bus!

- Renting a Car
- Driver’s License: Registry Office
- Insurance!

Getting Around: Someone Else is Driving

- Uber
- Taxi

- Good options for short trips, errands
  - Taxi & uber good for after a night out or after 12:30ish

- Typically tip taxi/uber drivers 10-15%
Getting Around: Biking/ Scooters

- Bicycle helmets legally required under age of 18; highly recommended for everyone
- **Bicycles must have:**
  - One or more working brakes
  - Have a bell (to warn pedestrians you are approaching)
  - Have a headlight, tail-light, or reflector when riding at dawn, dusk, or dark
- Riders must use hand signals and shoulder check
- Pathways have speed limits (20 km/h)
- Use established bike lanes and pathways; otherwise, usually adults ride on roadways
  - Do not ride on busy major roads; unsafe
  - Always pass pedestrians carefully; on the left; ring bell or say “passing on your left” in advance
- Always lock your bike; thefts are common

Getting Around: Walking

• Safety: [calgary.ca/csps/recreation/walking-safety.html](calgary.ca/csps/recreation/walking-safety.html)
• Kensington, Inglewood, Music Mile, 17th Avenue SW, East Village, Downtown Calgary
• The **Plus 15** is a network of pedestrian walkways that connect buildings throughout the downtown core.
• 15 feet above street level and include over 50 bridges
• The Plus 15 includes over 16 kilometres of pathways, making it the world’s most extensive pedestrian pathway system.
  • Available from 6:00 a.m. to 11:00 p.m.
