**IMPORTANT UPDATE: Travel to Canada**

The Canada Border Services Agency (CBSA) has updated its guidance for entry of international students to Canada in advance of their studies.
Effective Nov. 3, 2021, CBSA no longer restricts international student arrivals to four weeks before their studies begin.

Students will still be required to demonstrate that their travel is non-discretionary. **This change in guidance will apply to all international student arrivals regardless of their vaccination status.**

To be able to enter Canada, international students must also continue to meet all requirements under the Immigration and Refugee Protection Act and Regulations, including having a valid Study Permit and a valid letter of acceptance from a Designated Learning Institution (DLI).

**We are highly encouraging all students to be fully vaccinated, with an approved vaccine, when travelling domestically and internationally.**

For questions, please contact our immigration advisors at issimmigration@ucalgary.ca.
