Territorial Acknowledgement

We acknowledge the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Blackfoot Confederacy comprising the Siksika, Piikani, and Kainai First Nations, the Tsuut’ina First Nation, and the Stoney Nakoda including the Chiniki, Bearspaw, and Wesley First Nations. The City of Calgary is also home to Métis Nation of Alberta, Region III.

The University of Calgary is situated on land adjacent to where the Bow River meets the Elbow River, and the traditional Blackfoot name of this place is “Moh’kins’tsis”, which we now call the City of Calgary.

Medical Insurance:
International Student Services
Medical Insurance: You Need It!

• You need adequate insurance to cover any medical care or accidents while you are in Canada.
• Without medical insurance, you will have to pay the full cost of medical treatment which is very expensive (thousands of dollars).
• With medical insurance, many of these possible expenses are covered.
Your Medical Insurance

Exchange/Visiting (less than 12 months)

You are not typically eligible for the Alberta Health Care Insurance Plan (AHCIP)

You need to purchase a private plan

Possible options:

• Exchange students: through your home institution
• Typically, easier to purchase prior to travel/before leaving home country
• Purchase together with your travel arrangements (like flight + travel insurance package)
• ISS (iss@ucalgary.ca) has a list of visitor insurance options
  • E.g. Guard.me International Insurance: https://www.guard.me/application.php
Exchange/Visiting (less than 12 months)

Review your plan so you know what is covered & how to submit claims **before** you need to use it.

Typically:
1. You pay for a service “up-front”
2. Submit a claim/receipts to your insurance
3. You are reimbursed according to your plan

Ask how much a service will cost **before** you use that service

Full-time students are automatically registered (see on your tuition & fees). If you start in Winter 2022, your coverage starts **Jan 1, 2022**.

• **Set reminders for expiry dates in advance.**

• **Contact AHCIP office before your study permit expires.**

Alberta Health Care Insurance Plan

Important considerations:

• Under 18 years old— you cannot register alone
  • Need a guardian or arrange private insurance until able to register when 18

- **Another Canadian province**: use proof of other provincial vaccine record that includes a QR code
- **Outside Canada**: use your ArriveCAN app proof of vaccination

More information:

- [Alberta Restriction Exemption Program](https://www.alberta.ca/restriction-exemption-program.aspx)
Alberta Restriction Exemption Program: Alberta Proof of Vaccination with QR Code

Residents of Alberta with proof of vaccination from outside Alberta or Canada can:

1. upload your proof of approved vaccine to the Immunization Record Submission Online Portal
2. once it’s been approved, download an Alberta Vaccine Records QR Code
