Step 2

Click on “Academic”. Under “Teaching”, Click on “View course evaluations”

The screenshot shows the MyUcalgary portal interface. The top navigation bar includes 'Dashboard', 'All about me', 'My work', 'Academic', 'Around campus', and 'Favourites'. The 'Academic' menu is expanded, showing two columns of links: 'Teaching' and 'Direct access'. The 'View course evaluations' link under the 'Teaching' column is highlighted with a red rectangular box, and a red arrow points to it from the right. The 'Tasks' section at the bottom left indicates 'There are no approval tasks at this time.' The 'Quick Links' section at the bottom right includes 'Thrive - Faculty Report I'.

Step 3

Click on “View
USRI Results”

The screenshot shows the top of a web page with a blue header. On the left is the University of Calgary logo. On the right, the text reads "UNIVERSAL STUDENT RATINGS OF INSTRUCTION (REPORTING ONLY)" next to a small image of a survey form and a green pen. The main content area contains two paragraphs of text. At the bottom, a grey bar contains a button labeled "View USRI Results", which is pointed to by a red arrow.

UNIVERSAL STUDENT RATINGS OF INSTRUCTION (REPORTING ONLY)

UNIVERSITY OF
CALGARY

This is the new Universal Student Ratings of Instruction (USRI) Reporting System that will serve as the repository for all official USRI course evaluation results. This marks the first time that all historical USRI data from 1999 to present is readily available in a single repository. In order to achieve this, the data, processes, and associate reporting 'rules' spanning several systems had to be rationalized into one. Given the extensive conversion, in certain circumstances, results may differ slightly from reports published by prior systems.

This new system represents a collaborative effort between the Office of Institutional Analysis (OIA) and Enterprise Reporting. Please direct all questions about accessing USRI reports to the USRI team at usri@ucalgary.ca.

Step 4

Click on “Section Rating”.

Note: Ratings for a particular section are released after the end of term, on the university’s official USRI evaluation results release date: January 15 for Fall; May 15 for Winter; and, September 15 for Spring and summer. Section ratings may be exempted from publication due to low enrolment (less than 8 students), low response rate or other extenuating circumstances.

- In order for USRI results to be releasable other than to the instructor, two conditions must both be met:
 - There must be at least 8 students responding
 - The number of responses must be at least 20% of enrolled students
