Usage Advisory

These ratings are provided for the personal use of students for purposes of course selection. The information reflects student opinions about certain aspects of course offerings and instructors. It may not be relevant for your personal needs and, it may not be indicative of the instructors in other settings or in future course offerings. This information should be supplemented by information from other sources such as course information sheets, other students, student advisors, faculty advisors and instructors.

These ratings are copyrighted by the University of Calgary. Unauthorized copying, distributing or disseminating of the reports or the information within them by any individual may constitute grounds for disciplinary proceedings. All accesses to rating information are logged.

Step 4

- Select the period of time for which you wish to see results

The screenshot shows the 'UNIVERSAL STUDENT RATINGS OF INSTRUCTION (REPORTING ONLY)' interface. At the top left is the University of Calgary logo. The main heading is 'USRI Reporting'. Below this is a paragraph explaining the system: 'This is the new Universal Student Ratings of Instruction (USRI) Reporting System that will serve as the repository for all official USRI course evaluation results.' There are two radio button options: 'USRI results for all terms' (selected) and 'USRI results for latest term only'. A blue button labeled 'View USRI Result' is at the bottom.

- The USRI report will appear with data and average scores for each of the 12 questions.

What else is important about student evaluations?

- In order for USRI results to be releasable other than to the instructor, two conditions must both be met:
 - There must be at least 8 students responding
 - The number of responses must be at least 20% of enrolled students
