

Meal Preparation and Eating Space

Instructions for Kitchens UC COVID-19 GUIDANCE FOR Re-Entry

The following guidance is intended to help reduce COVID-19 transmission risks for Staff and Faculty who will prepare and consume meals on campus. Meal preparation and eating areas have potential to be a source of transmission. Adherence to these guidelines is important to prevent spread of COVID-19 in the workplace.

Wash hands upon entry, before and after eating.

Masks must be worn until you sit down to eat.

Maintain 2m physical distancing. Whenever possible one person at a time in both kitchen and eating areas.

Do not share food items, utensils or condiments.

Avoid multitasking (using computer, phone etc.) while eating.

The fridge may be used for single shift storage; all food must be removed from fridge at the end of the work shift. Individual meal containers must be used to store food in fridge.

Eat in areas where physical distancing is easy.

All touched surfaces must be wiped before and after use.

Lets keep our community healthy
