

UNIVERSITY OF
CALGARY

INSTALLATION AND CONVOCATION

FALL 2022

TRADITIONAL TERRITORIAL ACKNOWLEDGEMENT

We acknowledge the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Blackfoot Confederacy (comprising the Siksika, Piikani, and Kainai First Nations), as well as the Tsuut'ina First Nation, and the Stoney Nakoda (including the Chiniki, Bearspaw, and Wesley First Nations). The City of Calgary is also home to the Métis Nation of Alberta, Region 3.

II' TAA'POH'TO'P

The University of Calgary's Indigenous Strategy, ii' taa'poh'to'p, guides the university as it walks parallel paths, together in a good way, towards transformation. The strategy communicates our commitment to and responsibility for truth and reconciliation. The Buffalo, shown above, is a central element in UCalgary's Cultural Model, which tells the story of our strategy from a symbolic perspective. Original Buffalo imagery was gifted by Amelia Crowshoe and the Crowshoe family.

WELCOME TO CONVOCATION

Thank you for joining us for today's ceremony.

Please ensure all electronic devices are in silent mode and that, as you record these special moments, you do so with respect for your fellow guests, the graduates and the ceremony proceedings. We also ask that you remain seated for the duration of the ceremony to ensure all graduates and their guests have the same experience as they cross the stage.

Masking is voluntary at UCalgary's convocation ceremonies. UCalgary urges everyone to continue to respect and support people's decision to continue wearing a mask.

Add **#ucalgarygrad** to your social media posts so we can share your congratulatory messages!

You can share the link **ucalgary.ca/convocation/live** with anyone who could not attend but may want to watch a livestream of the event.

After the ceremony, you can meet your graduate on the upper level of the gymnasium, where several special photography areas are available.

Please enjoy the celebration!

GREETINGS FROM THE CHANCELLOR

Dear Graduates,

Welcome to your Convocation ceremony! And congratulations on your tremendous achievement.

This day marks a significant step in your lifelong journey of learning and discovery. As you leave this ceremony, you are truly poised to Start something. You may be starting your career. You may be starting on the path to pursuing further academic goals. You may still be finding your starting line. Self-discovery starts at the University of Calgary, and your education has prepared you to make the most of your potential. Be proud of yourself as you launch your future.

You can expect to encounter change and uncertainty as you move forward. There will be successes, but also some failures. These challenges may test you, but you leave here equipped with the skills and critical thinking ability to handle whatever comes your way. Always remember that your time at the University of Calgary has given you the gift of knowledge, a gift that can be transferred across disciplines and industries and expanded with creativity and boldness.

Along with individual challenges, you have a role in going beyond the limits to find new solutions to some of the problems we face locally and globally. Poverty, inequality, climate change, food insecurity and mental health are among the many global issues we must address. The University of Calgary is where people and passion and purpose intersect. As you start this next chapter in your lives, there is much you can do to shape and improve our society.

You, the Class of 2022, are an extraordinary group of graduates. We are both delighted and honoured to welcome you to our University of Calgary alumni community. You are among Canada's best and brightest, and we wish you success in whatever you pursue. Be proud of your achievements! Continue learning and exploring! This is a moment of hope and promise and celebration for each of you. Get out there and Start something!

Jon Cornish, CFA
Chancellor

GREETINGS FROM THE PRESIDENT

Dear Graduates,

Every spring and fall at Convocation, I look out at the groups of graduands assembled in the Jack Simpson Gym and feel the weight of this moment. This life-changing milestone fills me with pride every single time because I am looking forward to all the ways you will soar after Convocation. How do I know this for a certainty?

University of Calgary graduates consist of over 203,000 talented people with a breathtaking range of skills, expertise and passions. What ties them together is the mindset of entrepreneurial thinking woven into the DNA of our university. Over these past years at the University of Calgary, you've been honing your intellect and skills to not only build a satisfying career, but to develop an entrepreneurial mindset. All students from every faculty can benefit from this way of thinking; it means you have the ability to flourish in an increasingly complex world.

You have the power to profoundly change our world, our economy, our society and our quality of life for the better. How? You are comfortable with ambiguity. You can work in challenging environments.

You unleash your creativity to solve problems. You collaborate efficiently in teams. You pivot with ease. You reframe setbacks as learning opportunities. From the Schulich Makerspace to the Olympic Oval and the Nickle Galleries—and from the University Theatre to the Undergraduate Research Symposium—at each corner of our campuses, I have watched you all spark magic and make things happen.

All of our graduates, without exception, are taking initiative and spotting opportunities that others miss. The UCalgary experience empowers you to Start something, invent something, challenge something or even explore something with confidence. You are equipped for anything because you are the catalyst to creating the future that you want. This Convocation season is full of optimism and hope, because I know you will help shape a better, fairer, more prosperous world. Congratulations to the Class of 2022!

Dr. Edward McCauley, PhD, FRSC
President and Vice-Chancellor

Ceremonial Traditions

The University of Calgary Honour Song

The Honour Song was gifted to the University of Calgary by Elder Rod Hunter in 2018 to be used as part of the university's Indigenous Strategy, *ii' taa'poh'to'p*, where we commit to shared ethical space, transformation and ongoing renewal. The Honour Song is in the traditional Stoney Nakoda style. Elder Hunter states that most of his songs come to him in his dreams, including this one. He woke up singing the university Honour Song. As implied by the name, it is meant to highlight a spiritual connection to all of creation/Creator and bring honour, respect and tribute to a person, ceremony or an event.

Coat of Arms

Granted to the university in 1966, the formal coat of arms incorporates the university colours of red and gold. Featured in the top section of the shield is the wild rose of Alberta, flanked by two books that signify learning. Separating the sections is an arch, symbolic of the Chinook arch. The crossed staves and black bull's head are reminiscent of the MacLeod family crest, in recognition of Lieutenant Colonel James F. MacLeod, who is credited with naming Calgary after Calgary Bay on the Isle of Mull in Western Scotland. Under the shield is the escrol bearing our Gaelic motto: *mo shùile togam suas*, which translates to 'I will lift up my eyes.'

Our Tartan

The University of Calgary's tartan design was created by James Odell, BEd'76, BFA'83 and was officially recognized by the Scottish Tartans Society in 2001.

University of Calgary Mace

Our mace is representative of the authority that rests with the Crown. At the university, the authority of the Crown for the granting of degrees is vested in the Chancellor. The mace bearer brandishes the mace to signify the arrival and departure of the Chancellor. The mace is placed in front of the Chancellor for the duration of the ceremony.

The University of Calgary mace was a gift from Chancellor Emerita Dr. Muriel Kovitz and Dr. David Kovitz, and was used for the first time at the 1979 November Convocation ceremony.

Mace Table

In 1991, a white oak table made by Calgary craftsman John Morel was given to the University of Calgary by Chancellor Emeritus Dr. James Palmer and Mrs. Barbara Palmer to hold our ceremonial mace.

GRADUAND OR GRADUATE? WHAT IS THE DIFFERENCE?

Throughout this program, we use the words graduand and graduate. A graduand is someone who is about to graduate. A graduate is someone who has already done so. Today our students will begin the convocation ceremony as graduands and conclude it as graduates. We are so proud of them all!

Honouring Exceptional Individuals

Honorary Degrees

The honorary degree is the University of Calgary's highest academic honour and is bestowed upon individuals whose notable achievements and community service merit recognition. Honorary degree recipients provide inspiration and leadership to the graduating class, the university and the community.

The Order of the University of Calgary

The Order of the University of Calgary honours individuals who have made distinguished and exemplary contributions to the university above and beyond the requirements of their position. The award may be conferred upon any current or former member of the university community; students, faculty, staff, alumni and volunteers are all eligible.

Distinguished Graduate

Graduands are invited to take the Graduates' Pledge, stating their commitment as alumni to learning, community and representing the university. Leading the pledge is a distinguished graduate—a member of the University of Calgary family noted for their success in living up to our principles.

Degrees Granted

Types of Degrees

The University of Calgary grants bachelor, master and doctoral degrees. A bachelor's degree is an undergraduate degree that typically takes four to five years to complete. A master's degree is a graduate level degree requiring advanced knowledge or training in a particular field of study. A doctoral degree is the highest level of study, where a student completes a dissertation under the supervision of a professor. The focus is on conducting original research in a specialized subject.

Undergraduate Degrees with Honours

Degrees with Honours are awarded in two classes—Honours, and First Class Honours—to students in the faculties of Arts, Haskayne School of Business, Kinesiology, Cumming School of Medicine, and Science. These degrees follow a concentrated course of study in a specialized field. First Class Honours is awarded to students who have obtained a distinctive grade point average as defined by their faculty.

Undergraduate Degrees with Distinction

At the discretion of a faculty, the notation "With Distinction" is inscribed on the permanent record and degree parchment of graduates (except those with an Honours or graduate degree) who have obtained a distinctive grade point average as defined by the faculty.

INSTALLATION OF JON CORNISH AS OUR 15TH CHANCELLOR

Passionate social advocate, fearless problem-solver and member of the Canadian Football Hall of Fame, Jon Cornish, CFA, was elected the 15th chancellor of the University of Calgary, effective July 1, 2022.

Cornish is no stranger to making an impact. Now a successful investment advisor, they are well-known for their nine years as a star running back for the Calgary Stampeders and as a three-time recipient of the Canadian Football League's Most Outstanding Canadian Award. But what is equally impressive is Cornish's long-standing history of advocacy and taking on roles that impact change and remove barriers for vulnerable and equity-deserving groups.

In addition to a full-time day job with RBC Dominion Securities, Cornish is committed to creating a new legacy outside of football, through active volunteer and support efforts for youth, BIPOC and 2SLGBTQ+ communities in Calgary. They founded the Calgary Black Chambers, which has provided more than \$70,000 in scholarships to help Black university students; supported nearly 300 high school students through mentorship; and created the Calgary Black Achievement Awards, which recognizes Black Calgarians who have made significant contributions to the growth and vibrancy of our city. They have been a champion for the 2SLGBTQ+ community by advocating for sports organizations to create programs where all athletes feel safe through the You Can Play Project and are an active supporter and volunteer for the Alberta Children's Hospital and Wood's Homes. Cornish's work in Calgary led to them being selected as a member of the Top 40 Under 40 Class of 2022 by Avenue Magazine.

Cornish's entrepreneurial spirit, along with their passion for supporting youth and making Calgary a more inclusive community, are the attributes of the Hall of Famer that make them an outstanding ambassador for the university and a tremendous inspiration for our students, alumni and community members.

ROLE OF THE CHANCELLOR

The Chancellor is the Chair of the Senate and presides over degree-conferring ceremonies at the university. The Chancellor is an ambassador in advancing the interests of the university and the post-secondary education sector.

**CUMMING SCHOOL
OF MEDICINE**

Graduates presented by

Dr. Todd Anderson

Dean of the Cumming
School of Medicine

Reader:

Dr. Tara Beattie

The Dean of the Cumming
School of Medicine invites
all candidates for the
degree to rise and recite
the Hippocratic Oath:

*"Now being admitted to
the profession of medicine,
I solemnly pledge to
consecrate my life to the
service of humanity. I will
give respect and gratitude
to my deserving teachers
and in my turn I will teach
and I will study. I will
practice medicine with
conscience and dignity.
The health and life of my
patient will be my first
consideration. I will hold
in confidence all that my
patient confides in me. I
will maintain the honor and
the noble traditions of the
medical profession. I will
not permit consideration of
race, religion, nationality,
ideology, or social standing
to intervene between my
duty and my patient. I
will maintain the utmost
respect for human life.
Even under threat, I will
not use my knowledge
contrary to the laws of
humanity. These promises
I make freely and upon
my honor."*

HONORARY DEGREE

Roy Bear Chief

Oom ka pisi

Esteemed Elder, social worker and community champion

An influential and honoured Elder, Roy Bear Chief, Hon. LLD'22, is originally from the Siksika Nation and has been living in Calgary since 1980.

After receiving a nursing assistant certificate, GED and social work diploma, Bear Chief went on to earn a Bachelor of Social Work (1999) and Master of Social Work (2004) from the University of Calgary.

A residential school survivor, he has been an instrumental leader in the Siksika Nation, having worked in Income Support, Children's Services, Health Services, Aboriginal Mental Health, various hospitals and a group home for spinal cord injury. He also served as tribal manager for the Nation and has been twice elected as a member of its Chief and Council.

Bear Chief has made significant contributions as an Aboriginal consultant for Vibrant Communities Calgary within the Aboriginal Poverty Reduction Strategy. He also led the Indigenous Community Engagement Strategy for Momentum; was an Elder/program advisor for Calgary Legal Guidance and Elder-in-residence for the Bissett School of Business at Mount Royal University (MRU); and he is an Espoom tah (helper) with MRU's Health, Community and Education department.

He has been recognized with a Distinguished Achievement Award from Bow Valley College, a Centennial Medal from the Province of Alberta, and a Lifetime Distinguished Achievement Award as an MRU alumnus.

Throughout his career, Bear Chief has advocated for raising consciousness and awareness that Indigenous ways of knowing and doing do have a place in the institutional landscape of learning.

ORDER OF THE UNIVERSITY OF CALGARY

Dr. Mea Wang

Professor, community ambassador and technological pioneer

Dr. Mea Wang, PhD, ambitiously empowers our daily life with technologies.

Since 2008, Dr. Wang has been an integral part of the University of Calgary's Department of Computer Science, as an associate professor, and recently appointed full professor. Her research focuses on multimedia networking, cloud computing, mixed reality and networking optimization.

After receiving her Bachelor of Computer Science (Honours) degree from the University of Manitoba, Dr. Wang studied electrical and computer engineering at the University of Toronto, earning her Master of Applied Science and PhD.

During her time at UCalgary, Dr. Wang has been a leader in community-outreach activities, having created and organized the first Calgary Computer Science Teacher Symposium, the High School Speaker's Bureau, and organizing many workshops and events for the annual Association for Computing Machinery Computer Science Education Week.

Her career led her to create two U.S. patents on bandwidth-efficient adaptive video streaming with AT&T Research; one U.S. patent on interactive immersive entertainment with TCL Research; develop the Brightshare app with Brightsquid, which helps users track COVID-19 symptoms, exposures and risks; and she is currently working on a data framework to automate the data science pipeline for infectious disease studies.

Dr. Wang has been recognized with a University of Calgary Faculty of Science Award of Excellence in Community Outreach, as a University of Calgary PEAK Scholar and with the University of Calgary Faculty Association's Community Service Award.

WELCOME TO UCALGARY ALUMNI!

Congratulations Class of 2022! Today, we celebrate you and all that you have accomplished during these extraordinary times.

Welcome to our global community of more than 203,000 alumni who are making bold discoveries, leading our communities, and shaping our world every day.

As a UCalgary graduate, we encourage you to take advantage of our programs, benefits and services designed to support you and keep you connected to the university after graduation.

Follow us on social @ucalgaryalumni  
and @university-of-calgary 

Wherever life takes you, we'll be there

Virtual and in-person programs, events, workshops, and volunteer opportunities will help you grow your career, continue learning, and stay connected to the UCalgary community.

Learn more at alumni.ucalgary.ca.

Join us TODAY at the Den for a celebration of YOU

Join us at the Den following your ceremony for appetizers and a chance to connect with your graduating class. Doors will be open from 11 a.m. to 7 p.m. Guests are welcome but space may be limited.

Connect with a mentor

UCalgary Mentor Link is a digital platform to connect you with a community of alumni who are eager to share their knowledge, experience, and insight as you begin your career journey.

Create your Mentor Link profile at mentorlink.ucalgary.ca.

Benefits and services

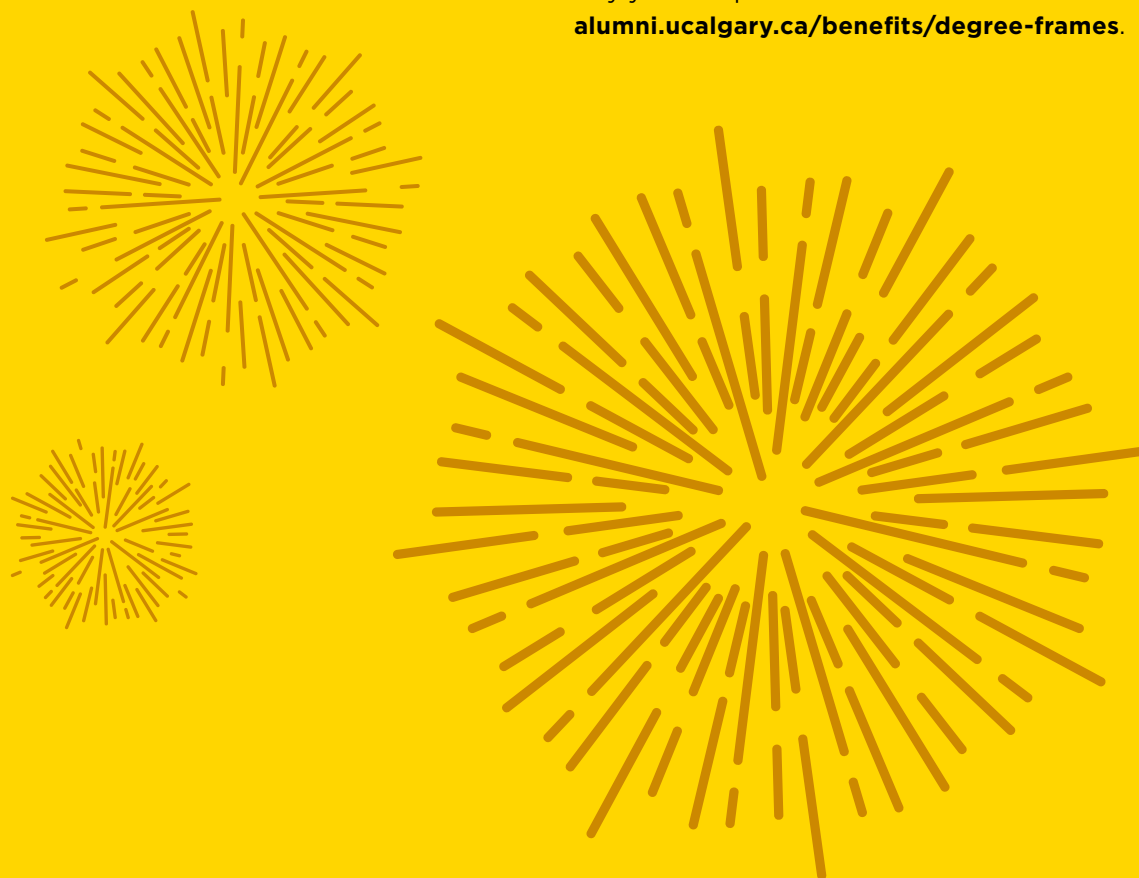

Access preferred rates on home, auto, travel, life, and health insurance, as well as alumni-exclusive savings, campus benefits and special offers.

Learn more at alumni.ucalgary.ca/benefits.

It's not the same without a frame!

You worked hard for your degree. Display it with pride in an official UCalgary degree frame.

Buy yours in-person at convocation or online at alumni.ucalgary.ca/benefits/degree-frames.

GRADUATES' PLEDGE

The Distinguished Graduate (on behalf of the graduating class)

As a graduate of the University of Calgary, wherever my life may take me, I will use my knowledge, experience and skills to the best of my ability for the well-being of my communities and for the advancement of learning and the public good.

I will conduct myself with honesty and integrity, taking responsibility for my actions and respecting the rights, opinions and dignity of all peoples.

I will maintain my competency and keep abreast of developments in my chosen fields.

I will strive to better my communities through good citizenship and active participation.

I will be a loyal ambassador for my university and will seek to promote its welfare and maintain its reputation.

I will honour all who have shared their knowledge with me and will in my turn share my knowledge and experience with those who enter my field or come under my direction.

In all my dealings, I will endeavour to be known as a person of honour and repute, ever seeking to earn the peace of good conscience.

All Graduates

This is my pledge.

CEREMONY PHOTOGRAPHY

The Artona Group is present at every convocation ceremony to photograph each student twice during the ceremony—once as they are on the stage, and once as they exit the stage. Photo previews and order information will be sent automatically to each student's mailing address. An email will also be sent with unique login information to view and order these images online.

For more information, visit **artonagroup.com**.

THANK YOU

It takes many individuals working together to ensure the convocation ceremonies run smoothly for our graduates.

We would like to extend a special thank you to the numerous faculty, staff and volunteers who contribute to the success of the ceremonies. To the families of our graduates, we thank you for supporting your students and being their biggest champions throughout their time here at the university.

Should you have any comments or thoughts about today's ceremony, please send feedback to **convolog@ucalgary.ca**.

Thank you and enjoy this day of celebration.
