

Work and live in Austria (Europe) during summer 2024! OVERSEAS INTERNSHIP/RESEARCH PROGRAMME

Are you interested in a deep dive into cutting-edge research topics and working with highly skilled researchers at Graz University of Technology (TU Graz)? Or do you want to experience the business world first-hand at one of our partner companies?

Then the **OverSEAs Internship/Research Programme** might just be the right fit for you. Complete your research stay or internship at TU Graz or at a Graz based company to develop professional skills, gain insight into the business/research world, and experience the Austrian culture and business environment. The programme will be held in English, knowledge of German is not required.

This programme is a great opportunity to

- work on your professional skills
- develop your intercultural and social competences
- enjoy the vibrant and multicultural student city of Graz (in Austria)
- explore the surrounding countries, as Austria is located right in the heart of Europe!
