APPLICATION DEADLINE: Sunday, October 16, 2024

GLOBAL ACCESS FUND:

University of Calgary International aims to make global learning experiences accessible to every undergraduate student. The Global Access Fund has been established to help address barriers experienced by groups underrepresented in global learning experiences. With a wide range of opportunities available, including programs from 10 days to 1 year in length, our goal is to help you find a program that not only aligns with your personal & academic goals but with your financial and accessibility needs as well. Low-income students, first-in-family to attend university, Indigenous, LGBTQ2S+ students, students with disabilities and visible/racialized minority students are strongly encouraged to apply.

Funding First! The Global Access Fund is unique in that students apply for this funding prior to submitting their study abroad program application. Results will be announced in advance of study abroad program application deadlines so that the funding can be applied toward any up-front program costs.

Grant Amount:

- The Global Access fund is valued at a minimum of \$5,500.00 CAD
- This is a competitive pool with limited funding.

Funds will be granted during the fall semester for the following study abroad program cycle (for programs beginning in the following spring, summer, fall or winter terms)
