BUSINESS COURSES FOR INCOMING EXCHANGE STUDENTS TO UCALGARY

This list is intended for students studying a business program at their home university but is open to all incoming exchange students (pre-requisites and space permitting). If you have been nominated to the Haskayne School of Business specifically from one of Haskayne's [partner universities](#), see our [website](#) for courses you can take.

Prior to attempting registration, you must [email us](#) with your UCID, exchange term, a copy of your transcript (unofficial), and list of course(s) requested; without permission you will not be able to enroll in any of the courses below. Other important things to note:

- You must have successfully completed similar pre-requisite courses at your home university prior to studying the courses below.
- Search by course code in the [Academic Calendar](#) to view course description and pre-requisite information.
- Not all courses listed here are offered every semester – please use the Course Search or Schedule Builder to check course offering information. If a course is full, please waitlist or monitor for a space to become available.
- Business courses **not** listed below are restricted to degree-seeking students at UCalgary, and incoming business exchange students from Haskayne's partner universities; if you request to enroll in a course not listed below, you will not be able to attempt registration until July 20 (Fall term) or November 20 (Winter term) if approved to take the course.
- You are responsible for confirming with your home university what transfer credit you can expect to receive for courses completed at UCalgary.
