

2.3 Other Campus Stakeholders

Outside Consultants, when retained by the University will work under the direction of a Project Manager (PM) assigned by the PMO. The PM will be responsible for coordinating the consultant team interface with numerous University faculties and departments throughout the course of the project.

The requirements of many of these campus stakeholders are addressed in the design standards, including;

- Accessibility
- Signage & Way-Finding
- Furnishings
- Elevators
- Fall Protection
- Access Control
- Hazardous Material Abatement
- Mechanical Systems
- Electrical Systems
- Voice & Data Distribution
- Commissioning
- CAD Guidelines

At appropriate project milestones the PM will arrange for document review by campus stakeholder groups affected by the work.
