

GRAEME BELL TRAVEL AWARD TERMS OF REFERENCE

Purpose

The goal of the Graeme Bell Travel Award (GBTA) is to enrich and enhance the undergraduate research experience at the University of Calgary. The GBTA provides financial support to the Program for Undergraduate Research Experience (PURE), Alberta Innovates Summer Research Studentships (SRS), and the Undergraduate Student Research Awards (USRA¹) student researchers interested in travelling to conferences or symposiums to share their summer research findings. The GBTA is open to undergraduate students who have received an 8-, 12- or 16-week PURE or SRS or USRA award in spring/summer 2023.

Value

Students can apply for a maximum of one (1) GBTA for up to \$1,350. GBTA recipients will be paid directly by the Student Awards Office as a one-time payment. Payments can be requested in advance to cover expenses. The award payment is intended to cover student expenses associated with participating in a conference or symposium.

Eligibility

To be eligible to apply for a GBTA, students must:

- Be a student in good academic standing;
- Be currently enrolled as a full-time undergraduate student at the University of Calgary;
- Have received a PURE, SRS or USRA award in spring/summer 2023;
- Have submitted a complete GBTA application;
- Be **presenting** your research at a conference or symposium; and
- Must attend or have attended the conference or symposium **between May 1, 2023 and April 30, 2024**

Criteria for Award Allocation

In determining who will receive awards, the committee will consider the need for funds, clarity of statements explaining of how the experience will enhance the program outcomes of the Undergraduate Summer Studentships program, the number of applications, event type, and the nature of participation. In general, conference presentations will be given higher priority over poster presentations. The committee may also prioritize upper-level students, and first-time conference attendees.

Final award decisions are communicated to applicants and the Award Services Office. In conjunction with the Registrar's office, the Award Services Office will allocate student award amounts directly.
